Updated Project Title Sheet

Project Title Sheet must be updated to reflect Bradley C. Wieferich, P.E. as the Michigan Department of Transportation (MDOT) Acting Director for projects starting with the February 3, 2023, letting. For projects already submitted, please place an updated plan set with the corrected title sheet in the Proposal and Plan Modifications folder in ProjectWise.

The MDOT workspace has been updated to incorporate this change to the sheet borders. For projects already in development, Title Sheets may be manually updated to reflect this change.
