The MDOT Local Agency Program (LAP) unit has posted an updated Progress Clause template for use on Local Agency Projects.

This template is updated for use with the 2020 MDOT Standard Specifications for Construction.

The post is on the LAP website (www.michigan.gov/mdotlap). Click on one of the LAP units on the left side of the screen, then click the "Design" link in the "Requirements" section, then Click on the link "Progress Clause Template for Local Agency Projects".in the section headed "Design Guidance".

The template is intended to be used by local agencies and their consultants, only on projects administered through the MDOT LAP Unit. The template does NOT apply to MDOT Trunkline projects.

Local agencies and their consultants should use this updated template for all MDOT let and force account projects, beginning with the MDOT August 2021 bid letting.

Please contact Bruce Kadzban, PE, Rural Program Manager, at 517-335-2229 or kadzbanb@michigan.gov, with questions.
