Dear Denise Donohue and John LaMacchia:

**Announcement of New Manager in Local Agency Programs**

The Michigan Department of Transportation (MDOT) is pleased to announce Bruce Kadzban's appointment as the permanent MDOT Local Agency Program (LAP) Section Manager, effective immediately. Bruce succeeds Tracie Leix, PE., who has taken on a new assignment in the Jackson Transportation Service Center.

Bruce has been employed by MDOT for over 18 years, and by private engineering consultants before coming to MDOT. He received his Bachelor of Science in Civil Engineering from Michigan Tech University and is a registered engineer in the State of Michigan.

Bruce started his MDOT career as the LAP Enhancement Engineer, and most recently served as the LAP Rural & Enhancement Unit Manager. He has focused on developing and implementing processes for local agencies to follow as they deliver projects which receive federal transportation funds. He had a lead role in successfully delivering several special programs that received federal funds, including the Emergency Response and Federal Land Access Programs. Bruce also has focused on maintaining and improving positive working relationships with local agencies, Local Technical Assistance Program, County Road Association of Michigan, and Federal Highway Administration, as well as numerous people throughout MDOT.

We are confident that Bruce will excel as the LAP Section Supervisor. Please do not hesitate to contact him with questions or concerns regarding the local agency program, or individual projects. He can continue to be reached at 517-449-8689 or 517-335-2229, or at [KadzbanB@Michigan.gov](mailto:KadzbanB@Michigan.gov).

Sincerely,

Larry Doyle, PE, Administrator  
Development Services Division
