Dear Denise Donahue and John LaMacchia II:

Subject: Announcement of new MDOT Local Agency Program Safety Engineer

The Michigan Department of Transportation (MDOT), Local Agency Program (LAP) Special Programs Unit is pleased to announce that Jacqueline Pethers has accepted the position of LAP Safety Engineer, effective December 10, 2023.

Jacqueline returns to MDOT, where she previously worked as the ITS/Signals Cost & Scheduling Engineer, the Huron Transportation Service Center (TSC) Construction & Operations Engineer, Bay Region's Design Engineer, and the Davison TSC Cost & Scheduling Engineer.

She holds a Bachelor of Science Degree in Civil Engineering from Michigan State University and is a registered professional engineer in the State of Michigan.

We are confident that Jackie will excel as the Local Safety Program engineer. Please do not hesitate to contact her with questions or concerns about the program.

While Jackie is transitioning to this new role, please direct Grade Inspection (GI) submittals and final project documents to both her supervisor Landon Johnson at JohnsonL26@Michigan.gov and to Jackie Pethers at PethersJ1@Michigan.gov.

Sincerely,
