

MiTRIP Single Trip Application Guide

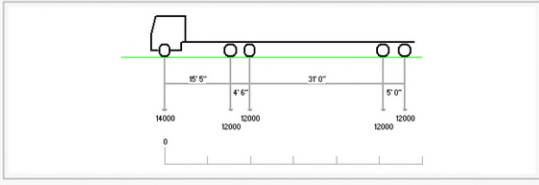

1. Access MDOT Permit Gateway (MPG)

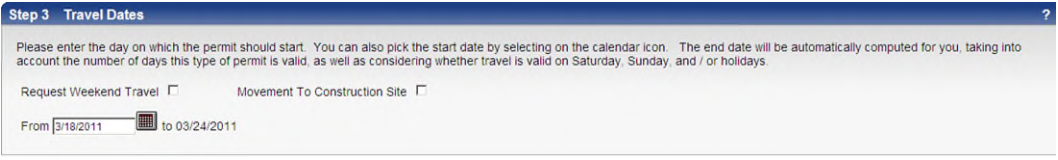

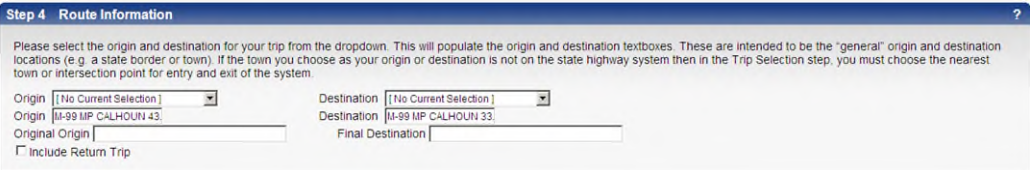

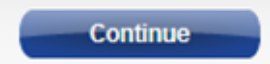

Step	Action
a	Go to http://www.michigan.gov/mdotmpg . If you are not already registered, follow the instructions at this link to register on MPG: New User Account Set-up Instructions

2. Access MiTRIP

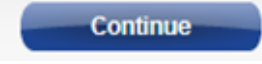

Step	Action
a	Click “Home” on the MPG Screen.  A screenshot of the MDOT Permit Gateway (MPG) home page. The logo 'MPG MDOT PERMIT GATEWAY' is at the top. Below it, a navigation bar contains a 'Home' button circled in red.
b	Select your desired business in the first drop down box:  A screenshot of the user selection area. It shows a dropdown menu for 'Example Business Inc.' circled in red. Other text includes 'Example User', 'GATEWAY', 'AHEAD', and 'Welcome'.
c	In the second drop down select “Oversize/Overweight Permits (MiTRIP)”:  A screenshot of the 'Select Permit System' dropdown menu. The menu is open, and 'Oversize/Overweight Permits (MiTRIP)' is highlighted and circled in red. Other options include 'Right-of-Way Coordination Permit System (RPS)', 'Internet Highway Advertising Program (IHAP)', and 'Select Permit System'.
e	When you click “Continue”, Oversize/overweight permits (MiTRIP) will open.

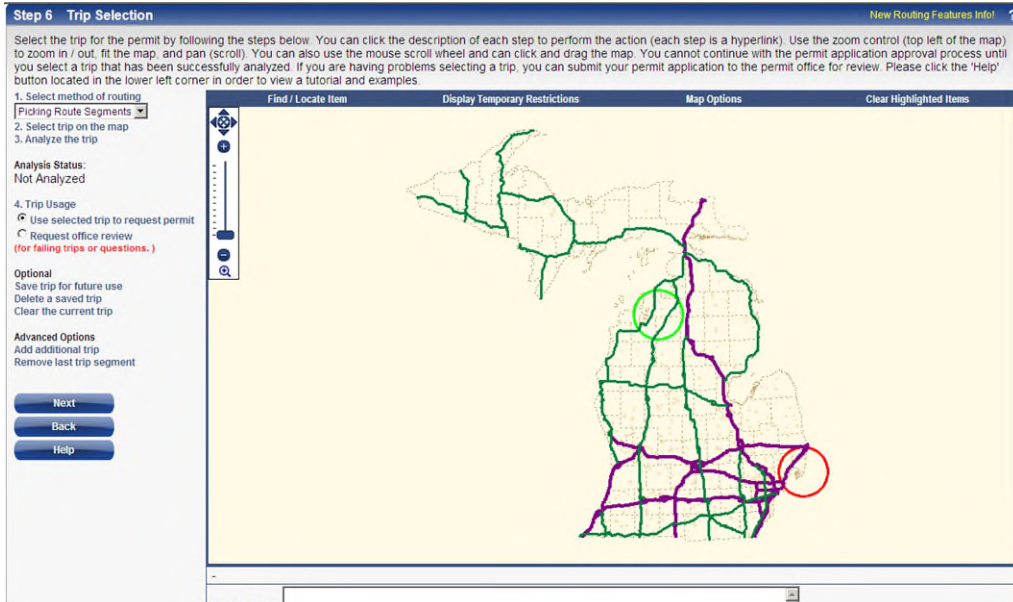

Display the MiTrip Application Screen

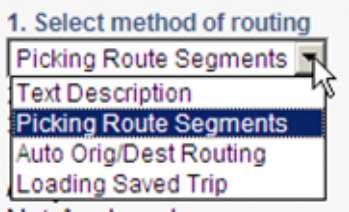

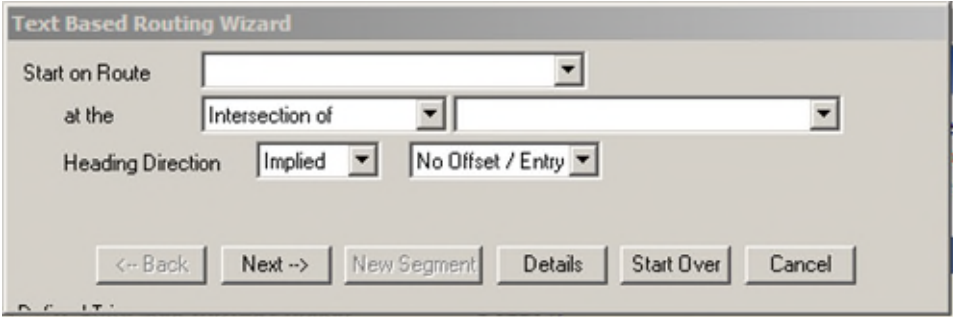

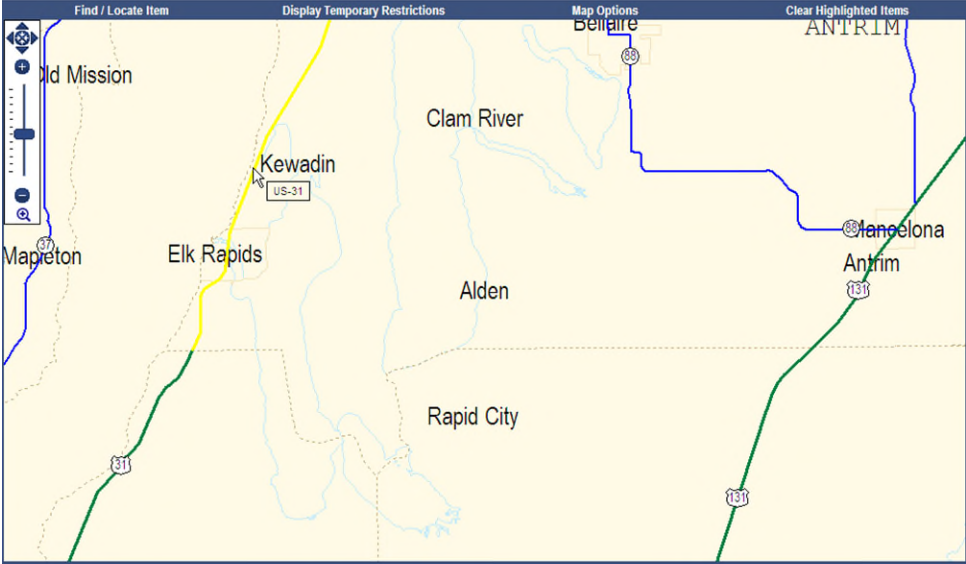

Step	Action
1	Click the appropriate Single Trip application link.
	If this application is similar to one that you have already entered and you would like to make a copy of that application, you may go to My Permits at the top of the screen and select the copy link next to the application you would like to copy.
2	Complete Step 1, Acknowledgement of Permit Conditions by reading the conditions and placing a check in the checkbox next to the acknowledgement statement. <div data-bbox="375 598 1406 835" style="border: 1px solid gray; padding: 5px; margin-top: 10px;"> <p>Step 1 Acknowledgement of Permit Conditions</p> <p>Please read and understand the following statements. Please check the box next to the acknowledgement statement if you agree with the following conditions and will adhere to the conditions in applying for the permit and in making the permitted moves. If you cannot or will not comply with the following statements, you will not be issued a permit.</p> <p><input type="checkbox"/> The applicant confirms the information submitted for permit consideration is correct, complete, and factual. Applications containing incorrect or incomplete information may be denied and require a new application which may include additional charges and fees. Application for an over dimensional permit is for cargo that cannot be reasonably divided or reduced so the remaining cargo is within the legal limitations by statute or rule. Reasonably divided shall be as interpreted in the sole discretion of the permit issuing authority. The applicant further agrees to indemnify and hold harmless the state, its officers, contractors and developers, agents and employees from and against any and all claims, damages, for any liability arising from or related to the issuance of the permit. Permit applicability is the sole responsibility of the user and will not be considered a defense to avoid enforcement action or prosecution. Applicant further understands this application may result in requests for permits from more than one permit issuing authority. Applicant is responsible for the payment of each application, independent of the results of other permit applications from this site or by any other means.</p> <p>I understand if my route includes routes that are not part of the state highway system, I may be required to notify local jurisdiction(s), carry local jurisdiction permits and/or other required documentation. (Click here for a list of local jurisdictional contacts)</p> </div>
3	Enter the vehicle and load information in Step 2, Vehicle Configuration . <div data-bbox="375 892 1406 1791" style="border: 1px solid gray; padding: 5px; margin-top: 10px;"> <p>Step 2 Vehicle Configuration</p> <p>Please define the vehicle to be permitted. If you have saved vehicles/units in your My Vehicles library, you may choose one or more of those vehicles/units and select Recall Vehicle Data to populate the fields with the saved information. The information may be modified as needed. Dimensions can be entered in various formats. For example, a dimension of 14 feet 6 inches can be entered as 14 6 (that is 14 space 6), 14-6, 14'6", or 14.5.</p> <p>Stored Vehicles/Units Truck/Combined Options: [No Current Selection] ?
