

Whether you're a student exploring career options, a recent graduate or an experienced professional seeking new opportunities, Career Fest is your chance to connect with Michigan Department of Transportation (MDOT) representatives from across the state and learn about the many career paths available within our organization.

Discover Your Future with MDOT CAREER FEST26

Join MDOT at Career Fest 2026 and learn how you can help keep Michigan moving.

At Career Fest, you can:

- ▶ Explore current and upcoming job opportunities across Michigan.
- ▶ Learn about careers in engineering, transportation, skilled trades, maintenance, administration, information technology, planning and more.
- ▶ Meet MDOT employees and hear about their career journeys.
- ▶ Ask questions about qualifications, hiring processes, internships and professional development opportunities.
- ▶ Discover how your skills can contribute to Michigan's transportation future.

Please note: Interviews will not be conducted during Career Fest. This event is designed to provide information, answer questions and connect prospective candidates with MDOT career opportunities.

We look forward to meeting you and sharing the many ways you can build a rewarding career with MDOT.
