

### George Teftsis PMC Inspector

“When I come across an issue with an asset, I feel proactive and productive. Our system and the app that we use sets us up for success with proper communication, proper documentation of the issues, and proper response time by HNTB and MDOT.”

### Sam Giuffre PMC Inspector

“Working on the Ancillary Structures Program means that I get inspection experience on a variety of assets and it is rewarding knowing I am helping contribute to the functioning and safety of our infrastructure.”

### Manny Alfaro (Left) PMC Inspector

“It means a lot to me to be able to work on MDOT’s Ancillary Structures Program. I like the partnership we have with them so we can make sure all the people are safe in the areas and everything is caught and noticed.”
