

Transportation Economic Development Fund - Category A Fiscal Year 2022-2023 Grant Application Schedule

The following schedule is offered in order to allow applicants the ability to reasonably plan project timelines for potential Category A grant applications. Applications are accepted year-round pursuant to the below schedule. Missing or inaccurate application information may delay a grant request into the next selection review cycle. Applications that are selected for funding may receive awards for funding in the current or a future state fiscal year. For further details, contact the MDOT Grant Coordinator for your region.
