

Help shape transportation in Michigan!

<First and last name/City name resident>
<Street Address 1>
<Street Address 2>
<City, ST < #####>

April 00, 2024

The Michigan Department of Transportation (MDOT) is asking you to participate in the **MI Travel Counts** survey about transportation in the state. You and the other people in your household are being asked to take part in a survey about where you go and how you get there.

This survey will be used to help identify projects that improve access to jobs, schools, healthcare, and other important daily activities; help improve roads, public transit, sidewalks, and bicycle routes in your community; and help make decisions about how to spend transportation dollars. **We want to hear from you even if you don't travel often.**

Your input will have a big impact as only a limited number of households have been invited to participate in the survey. Follow the instructions below to sign up today. Your voice can shape the future of your community.

Thank you for helping to move Michigan forward!

Bradley C. Wieferich, P.E.
Director
