

# MARSHALL MODERNIZATION PROJECT UPDATE

June 6, 2025

## Project Overview

To accommodate the Marshall Area Jobs, Opportunity and Recreation (MAJOR) Campus industrial development, the Michigan Department of Transportation (MDOT) is making improvements to M-96 (Michigan Avenue), I-94 and I-69, and the I-69/M-96, I-69/I-94, and I-94/M-311 interchanges in Calhoun County. The project aims to upgrade and modernize these corridors and interchanges to meet anticipated future traffic volumes.

## What's Happening Now

June 3 - 8, 2025:

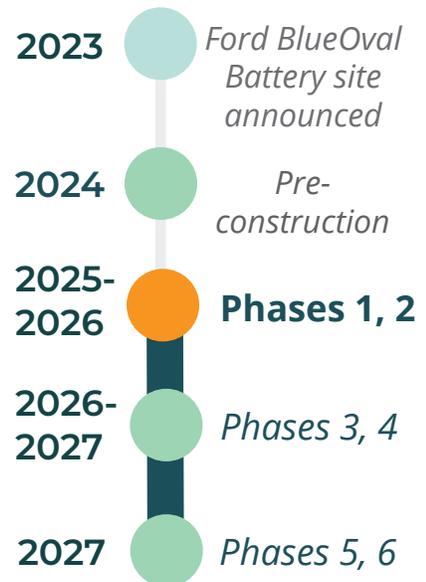

- Build the concrete foundations and walls for the new southern Michigan Avenue bridge over I-69.
- Continue road work on Michigan Avenue.
- Continue work on the Bear Creek culvert.
- Work on the northbound I-69 off ramp to Michigan Avenue.
- Begin widening of southbound I-69.

## What's Happening Next

June 9 - 22, 2025:

- Continue to build the new southern Michigan Avenue bridge over I-69.
- Continue road work on Michigan Avenue, I-69 and ramps.
- Continue work on the Bear Creek culvert.
- The northbound I-69 off ramp to Michigan Avenue will remain closed for approximately two more weeks. Traffic will continue to be detoured via the I-69/I-94 interchange.
- All I-69 traffic will remain shifted to the northbound I-69 side. One lane of traffic in each direction will be maintained.
- Anticipated short-term night closure of Michigan Avenue for beam setting on June 20 and 21. Additional details to be provided in the next newsletter.

## Project Timeline

## Project Map

# MARSHALL MODERNIZATION PROJECT UPDATE

June 6, 2025

## Anticipated Construction Schedule

Phases 1 and 2

2025

Tasks	Jan.	Feb.	Mar.	Apr.	May	June	July	Aug.	Sept.	Oct.	Nov.	Dec.
Clearing			■	■
