(NAME OF TRANSIT AGENCY) ADA COMPLAINT AND REASONABLE MODIFICATION POLICY

ADA Complaint Policy

Title II and III of the American Disability Act of 1990 (ADA) provides that no entity shall discriminate against an individual with a disability in connection with the provision of transportation services. The law sets forth specific requirements for vessel and facility accessibility and the provision of service, including passenger vessel operations. <ABC Transit> is committed to providing safe and reliable transportation to all people without discrimination based on disabilities.

(Name of transit agency) has established a Complaints Resolution Official (CRO) in their Complaint Resolution Policy which allows passengers to file a complaint in person or by telephone. If (name of transit agency) CRO receives an oral or telephone complaint regarding discrimination against an individual under the ADA, the CRO will provide to the complainant a written statement within ten days. All written complaints will be addressed in writing within 30-days of receiving the complaint and the CRO will work to resolve the issue with the complainant as quickly as possible. This may involve legal assistance and/or mediation. We will document all of the process including the resolution and will notify our MDOT project manager of the complaint and the resolution. We will keep the complaint and all related documents on file for at least one year. We will keep a summary of all complaints filed for at least five years.
