

INCIDENTAL USE

Agency: _____

Describe any real property or equipment that was acquired with Federal Transit Administration (FTA) funds for transit purposes, but which also is used for non-transit purposes. (Attach additional pages if necessary.)

If you have none, check this box:

Please check the applicable boxes for the items listed above.

- Agency receives revenue for incidental use of above equipment/property. I certify that the revenues are used for capital and/or operating expenses for the provision of public transportation
- I certify that the agency still needs and uses the above equipment/property for an FTA program or project.
- I certify that the incidental use of the above equipment/property does not interfere with the agency's public transportation operations.
- The agency has incidental use of a fueling facility. I certify that the agency collects all applicable excise taxes on the fuel.

If you are unable to provide certification for any of the items above that apply to your agency, please provide an explanation:
