This serves as formal authorization from the State of Michigan, Department of Transportation (MDOT); Office of Passenger Transportation (OPT), for [authorized entities](#) who are eligible to purchase from the State of Michigan, State Vehicle Purchasing Program contracts.

These entities are approved by the MDOT and are linked to the State Vehicle Purchasing Program Guidelines. This website is updated as entities are approved by MDOT. Please refer to this website to verify eligible participants. For a list of vehicle/bus contracts that these entities are authorized to purchase from, please refer to the [State Revenue Vehicle Contracts and Vehicle Procurement](#).

These State of Michigan Master Agreements may also be used by all authorized Transit agencies, institutions of higher education, political subdivisions and other entities authorized to use statewide contracts in the State of Michigan upon written agreement by the State and the Contractor.

MDOT Authorized Entities must first contact Ford Fleet at 1-800-34-FLEET to apply for a Ford Government FIN (Fleet Identification Number) Code (referencing their eligibility under the State Bus/Van Purchasing Program) prior to contacting a Ford Dealership. Typically, these applications are processed by Ford Fleet within two working days.
