Step 2:

Resources/Website Builder/Create My Website

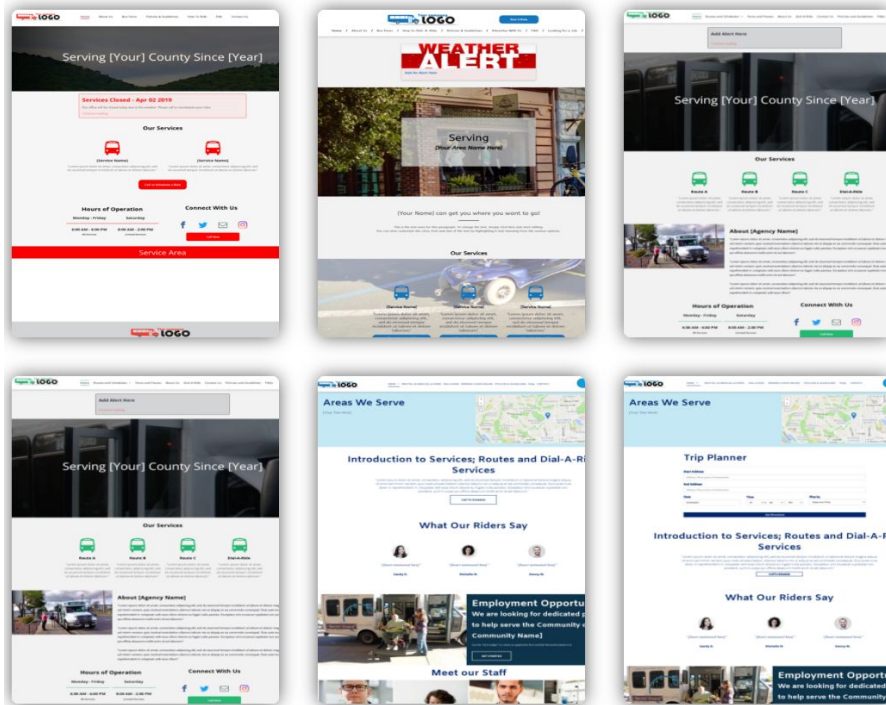

Introduction

Since 2011, Website Builder has allowed users to create and design websites that are hosted on the National RTAP server free of charge. Recer using customer feedback and the latest technology to make creating, editing and launching your website as easy as possible.

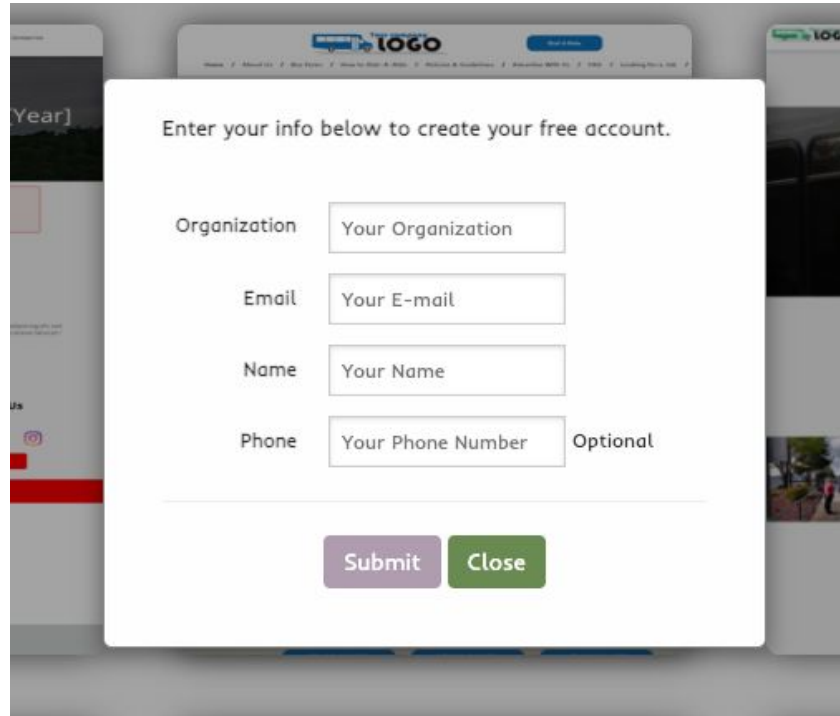

Check out some cool rural transit websites built with National RTAP's Website Builder. Just click on any of the agencies listed below.

- Island Transit (Washington)
- Clallam Transit (Washington)
- Mountain Line Transit Authority (West Virginia)
- Brookings Area Transit Authority (South Dakota)
- Eastern Panhandle Transit Authority (West Virginia)

Step 3: Preview and Select a Template
