The Michigan Department of Transportation (MDOT) operates 14 Welcome Centers statewide, providing travel and tourism information in addition to clean, safe restrooms.

Interested in having your literature displayed at MDOT Welcome Centers?

Every year, millions of people visit the Great Lakes State and Michigan's Welcome Centers see more than 5 million visitors combined annually. There is no cost to place your literature at MDOT-operated Welcome Centers. A vendor wishing to distribute literature through MDOT's Welcome Center literature program must submit a copy to the statewide literature coordinator for approval.

Partnerships and Literature Displays:

Partnership and display opportunities vary at each Welcome Center but can include display cases, special events, landscape plantings and flower beds. Local groups and organizations interested in partnering with MDOT Welcome Centers should contact their local Welcome Center directly to discuss partnership opportunities.
