* Amounts do not include payments made to an interest-bearing escrow account designated for Bark River-Harris School District that were previously required under the 2017 Hannahville Agreement and Stipulation for Entry of a Consent Judgment, dated March 14, 2017. The 2017 Stipulation was amended on December 2, 2021, and this separate payment obligation was eliminated. Under the amended agreement, a portion of the Tribe's two percent payments will be allocated to Bark River-Harris School District and Bay De Noc Community College until a minimum payment amount is fulfilled.

** The Keweenaw Bay Indian Community (KBIC) made an advance payment to Chocolay Township on February 14, 2019 under a 10 year, long-term contract. KBIC is allocating a prorated amount over the life of the contract in a semiannual amount of \$31,000. The two percent payment totals presented in the 2019 Indian Gaming Annual Report and the 2019 amount presented above differ by \$31,000, the amount of the second semiannual allocation of 2019.

*** For the 2020 payment period, the Sault Ste. Marie Tribe of Chippewa Indians disbursed excess amounts to meet obligations under contracts between the Tribe and various local units of government. The 2020 amount presented above includes the excess distributions and differs from the two percent payment total presented in the 2020 Indian Gaming Annual Report by the amount of the excess funds.

**** The two percent payments are provided for under the terms of the Compacts and related Consent Judgments and were calculated by the MGCB based on information provided by the tribes. The payments are not intended to be a presentation in conformity with generally accepted accounting principles and have not been audited and/or reviewed by the MGCB.
