## **Receipts and Distribution of Indian Casino Revenue**

### **by Local Revenue Sharing Boards**

**2016**

Section 973(6) of Public Act 268 of 2016 requires the Michigan Gaming Control Board (MGCB) to submit a report to the House and Senate Appropriations Committees and the State Budget Director on the receipts and distribution of Indian casino revenue by local revenue sharing boards (local government units).

Under the Consent Judgment, the seven tribes that signed the August 1993 Tribal-State Gaming Compact are required to pay two percent of their net win to local units of government in the immediate vicinity of each tribal casino, where net win is defined as the total amount wagered on each electronic game of chance, minus the total amount paid to players for winning wagers at said machines. The seven tribes that signed the Consent Judgment are: Bay Mills Indian Community, Grand Traverse Band of Ottawa and Chippewa Indians, Hannahville Indian Community, Keweenaw Bay Indian Community, Lac Vieux Desert Band of Lake Superior Chippewa Indians, Saginaw Chippewa Indian Tribe, and Sault Ste. Marie Tribe of Chippewa Indians.

Under the December 1998 Compact, the four tribes that gained the right to open casinos in Michigan are required to pay two percent of their net win to Local Revenue Sharing Boards (LRSB). A LRSB's sole function is to determine and make allocations of the tribal payments to all local units of government that incur costs for hosting the casinos. The four tribes that signed the Compact are: Little River Band of Ottawa Indians, Little Traverse Bay Bands of Odawa Indians, Nottawaseppi Huron Band of Potawatomi Indians, and Pokagon Band of Potawatomi Indians.

The May 2007 Compact between the State of Michigan and the Match-E-Be-Nash-She-Wish Band of Pottawatomi Indians (known as the Gun Lake Tribe) also requires two percent of net win to be paid to a Local Revenue Sharing Board.

In 2016, twelve tribes operated casinos in Michigan under the 1993, 1998, or 2007 Compacts. Historical data through 2015 on the two percent payments made by these tribes to their respective local units of government is presented on the Michigan Gaming Control Board website at [http://www.michigan.gov/mgcb/0,4620,7-120-1380\\_57138\\_57142---,00.html](http://www.michigan.gov/mgcb/0,4620,7-120-1380_57138_57142---,00.html). The two percent payment information for 2016 was obtained from LRSBs (directly) and the tribes (directly or online). Distribution figures for some entities reflect net payment amounts after investment earnings, undistributed previous years' funds, and other fund transfers.

From 1994 through 2016, Indian tribes operating casinos in Michigan made total payments of \$437.3 million to local units of government. In 2016, those payments totaled \$29.2 million.
