

Resolution 2024 - 02

Resolution Approving the 30-Year Integrated Infrastructure Strategy

WHEREAS, Public Act 323 of 2018, the Michigan Infrastructure Council Act (the “Act”), requires the Michigan Infrastructure Council (the “Council”) to develop and publish a 30-year integrated infrastructure strategy (the “Strategy”); and

WHEREAS, Section 4(f)(iii) of the Act further specifies that the Strategy be updated every five years; and

WHEREAS, the Council recognizes the critical importance of a comprehensive, long-term vision for Michigan’s infrastructure to ensure a safe, reliable, and resilient system that supports economic growth and a high quality of life for all residents; and

WHEREAS, over a two-year period, the Council has diligently developed the Strategy through a collaborative process, incorporating the expertise of:

- Infrastructure consultants
- Members of the Michigan Infrastructure Council (MIC), Water Asset Management Council (WAMC), and Transportation Asset Management Council (TAMC)
- Over 1,000 infrastructure stakeholders reached through outreach programs, the AM Champions program, and a web-based public survey; and

WHEREAS, the Strategy aligns with the Council’s workplan, fulfilling its legislative duties while also considering recent infrastructure legislation and ongoing statewide initiatives; and

NOW, THEREFORE, BE IT RESOLVED that the Michigan Infrastructure Council hereby approves the publication of the 30-Year Integrated Infrastructure Strategy.

BE IT FURTHER RESOLVED that the Council staff will facilitate the dissemination of the Strategy and its actions to a broad audience, including policymakers, infrastructure owners and operators, and the general public.

BE IT FURTHER RESOLVED that the Council will utilize the Strategy to guide its future work program, ensuring continued progress towards achieving Michigan’s long-term infrastructure goals.

BE IT FURTHER RESOLVED that the Council will release its next 30-Year Integrated Infrastructure Strategy in 2029.
