

GRETCHEN WHITMER
GOVERNOR

STATE OF MICHIGAN
DEPARTMENT OF TREASURY
LANSING

RACHAEL EUBANKS
STATE TREASURER

September 25, 2019

Dear Asset-Owner or Operator:

The Office of the Michigan Infrastructure Council, within the Michigan Department of Treasury, maintains aggregate data regarding the asset management readiness of Michigan's infrastructure asset owners and operators. Self-assessed rankings across five asset management categories (policy and governance, people and leadership, data and information, planning and decision-making, and external communication and knowledge sharing) are collected and aggregated regionally to develop statewide policy related to infrastructure asset management.

Infrastructure asset owners supply these rankings voluntarily with the promise of confidentiality from this Department. Therefore, this information will be considered exempt from disclosure under Section 13(1)(f) of Public Act 442 of 1976, the Freedom of Information Act, as amended, MCL 15.243(13)(1)(f), provided all of the following apply:

1. The information constitutes trade secrets, commercial information, or financial information that is voluntarily provided to this Department for use in developing governmental policy.
2. The information is submitted upon a promise of confidentiality by this Department.
3. The promise of confidentiality is authorized by the chief administrative officer of this Department at the time the promise is made.
4. A description of the information is recorded by this Department within a reasonable time after it has been submitted, is maintained in a central place within this Department, and is made available to a person upon request.

Sincerely,

A handwritten signature in blue ink that reads "Rachael Eubanks".

Rachael Eubanks
State Treasurer

November 13, 2019

Dear Asset-Owner or Operator:

The Central Upper Peninsula Planning and Development Regional Commission (CUPPAD) maintains data regarding the asset management readiness of Michigan's infrastructure asset owners and operators. Self-assessed rankings across five asset management categories (policy and governance, people and leadership, data and information, planning and decision-making, and external communication and knowledge sharing) are collected and aggregated regionally to develop statewide policy related to infrastructure asset management.

Infrastructure asset owners supply these rankings voluntarily with the promise of confidentiality from CUPPAD. Therefore, this information will be considered exempt from disclosure under Section 13(1)(f) of Public Act 442 of 1976, the Freedom of Information Act, as amended, MCL 15.243(13)(1)(f), provided all of the following apply:

1. The information constitutes trade secrets, commercial information, or financial information that is voluntarily provided to this Region for use in developing governmental policy.
2. The information is submitted upon a promise of confidentiality by this Region.
3. The promise of confidentiality is authorized by the chief administrative officer of this Region at the time the promise is made.
4. A description of the information is recorded by this Region within a reasonable time after it has been submitted, is maintained in a central place within this Region, and is made available to a person upon request.

Sincerely,

A handwritten signature in black ink that reads "Dotty LaJoye". The signature is written in a cursive, flowing style.

Dotty LaJoye,
Executive Director

EAST MICHIGAN COUNCIL OF GOVERNMENTS

November 14, 2019

Dear Asset-Owner or Operator:

The East Michigan Council of Governments (EMCOG) maintains data regarding the asset management readiness of Michigan's infrastructure asset owners and operators. Self-assessed rankings across five asset management categories (policy and governance, people and leadership, data and information, planning and decision-making, and external communication and knowledge sharing) are collected and aggregated regionally to develop statewide policy related to infrastructure asset management.

Infrastructure asset owners supply these rankings voluntarily with the promise of confidentiality from the East Michigan Council of Governments (EMCOG). Therefore, this information will be considered exempt from disclosure under Section 13(1)(f) of Public Act 442 of 1976, the Freedom of Information Act, as amended, MCL 15.243(13)(1)(f), provided all of the following apply:

1. The information constitutes trade secrets, commercial information, or financial information that is voluntarily provided to this Region for use in developing governmental policy.
2. The information is submitted upon a promise of confidentiality by this Region.
3. The promise of confidentiality is authorized by the chief administrative officer of this Region at the time the promise is made.
4. A description of the information is recorded by this Region within a reasonable time after it has been submitted, is maintained in a central place within this Region, and is made available to a person upon request.

Sincerely,

Sue Fortune

Executive Director

EASTERN UPPER PENINSULA REGIONAL PLANNING & DEVELOPMENT COMMISSION

October 1, 2019

Dear Asset-Owner or Operator:

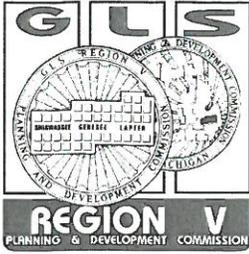

The EUP Regional Planning & Development Commission (EUP) maintains data regarding the asset management readiness of Michigan's infrastructure asset owners and operators. Self-assessed rankings across five asset management categories (policy and governance, people and leadership, data and information, planning and decision-making, and external communication and knowledge sharing) are collected and aggregated regionally to develop statewide policy related to infrastructure asset management.

Infrastructure asset owners supply these rankings voluntarily with the promise of confidentiality from EUP. Therefore, this information will be considered exempt from disclosure under Section 13(1)(f) of Public Act 442 of 1976, the Freedom of Information Act, as amended, MCL 15.243(13)(1)(f), provided all of the following apply:

1. The information constitutes trade secrets, commercial information, or financial information that is voluntarily provided to this Region for use in developing governmental policy.
2. The information is submitted upon a promise of confidentiality by this Region.
3. The promise of confidentiality is authorized by the chief administrative officer of this Region at the time the promise is made.
4. A description of the information is recorded by this Region within a reasonable time after it has been submitted, is maintained in a central place within this Region, and is made available to a person upon request.

Sincerely,

Jeff Hagan, CEO
