Transportation Asset
Management Council

On behalf of the Michigan Transportation Asset Management Council (TAMC) **we are seeking agencies and individuals to recognize for their efforts in asset management and best practices.** Detailed instructions and information for the submittals and past award recipients are linked below.

The TAMC has established the **Organizational Achievement Award** to acknowledge those agencies that have incorporated the principles of asset management and adopted an asset management plan to help guide their investment decisions. In addition, the TAMC Awards Program provides agencies around the state with excellent examples to establish their own programs and practices. All Public Act 51 road agencies are eligible to be nominated for this award.

Additionally, the TAMC wants to recognize individuals providing outstanding support of Asset Management and the TAMC. Nominees for the **Carmine Palombo Individual Achievement Award** can include elected officials (state or local), support staff from state agencies, regional and metropolitan planning organizations, county road agencies, local units of government, the education community or other individuals involved in promoting asset management in Michigan.

Award submittals are due **Friday, July 1, 2022**, to Gloria Strong, TAMC Departmental Technician, strongg@michigan.gov. Please refer to the attached criteria and instructions documents to assist you with your nominations. Questions can also be directed to Gloria at (517) 402-3599. Pending the amount of award nominations, recognition may be part of the 2022 TAMC conference programs.

The awards will be presented at the TAMC Asset Management Conference, celebrating our 20 years, September 28, 2022 at the Great Wolf Lodge in Traverse City, MI.

Thank you in advance for all your efforts.
