

# TAMC DATA COLLECTION TRAINING

2022

PASER • IBR

## PASER Training

The Center for Technology & Training is bringing you online and in-person options for completing your PASER training this year.

For more information about the Pavement Surface Evaluation and Rating system, the Inventory-Based Rating™ (IBR) System for rating unpaved roads visit [Michigan TAMC](#), [PASER Resources](#), or read about [CTT training here](#).

## 2022 Training Dates

IBR	PASER Class 1	PASER Class 2
Learn the basics of using the Inventory-Based Rating™ (IBR) System for rating unpaved roads.	Class 1 covers distress identification for asphalt, concrete & sealcoat roads and sets the foundation for the PASER visual rating system.	Class 2 is an intro to the PASER system. It includes TAMC updates on data collection & council updates, rating rules and tips, interactive rating exercises on asphalt, concrete, and sealcoat roads.
