

WE WANT TO HEAR FROM YOU, MICHIGAN!

Join thousands of your neighbors and Michiganders across the state by making your voice heard to **help shape our federal and state legislative district boundaries** for the next 10 years.

For the first time in our state's history, a commission of 13 randomly selected Michigan citizens – not politicians or lobbyists – are responsible for drawing **fair and representative election districts.**

You can help us by spreading the word about public hearings and sharing more details.
