Michigan Independent Citizens Redistricting Commission Application

Why do you want to serve on the Michigan Independent Citizens Redistricting Commission?

I have a strong urge for public service, and I believe strongly in our democratic system of government pertaining to elections. I affiliate with the Democratic party, but I do not believe that has any weight on this. I want to help ensure that the districts in the great state of Michigan have been drawn to not favor any party. My end goal would be that a random sampling of individuals out of a district will yield approximately 50% of each of two main parties. This would ensure that our elections remain fair, and that each district has an equal number of constituents (as close as possible) of each party, ensuring that the will of the voters in each district is heard when electing our officials. This will also ensure that individuals that do vote, also do research on their candidates, and will stop what I refer to as "blind voting". Voting for your party and not listening to what others have to say and offer.
