

**MICHIGAN INDEPENDENT CITIZENS REDISTRICTING COMMISSION
PUBLIC RELATIONS CONSULTANT QUOTE
SOUTHEAST MICHIGAN**

BACKGROUND

In 2018, Michigan residents took fate into their own hands by approving Ballot Proposal 2 and revising the Michigan Constitution to shift the responsibility for redistricting in the State of Michigan. Instead of the Legislature holding responsibility for redistricting, this authority now belongs to the MICRC. The MICRC is responsible for adopting a redistricting plan for Michigan Congressional, House, and Senate districts through public engagement and participation.

To ensure fairness, awareness, transparency, and engagement, the MICRC seeks public feedback on proposed plans for redistricting at its 2nd Round of Public Hearings. In addition, the MICRC is interested in the public relations consultant developing and executing a multimedia and diverse campaign strategy for the Southeast Michigan Media Market.

SCOPE

The MICRC seeks an experienced, creative, and resourceful public relations contractor to increase awareness, confidence, and engagement in Michigan's new redistricting process during the 2nd Round of Public Hearings. The contractor should know the Southeast Michigan Media Market demographics (including rural areas), traditional and nontraditional media outlets, the best communication channels to reach diverse populations, etc.

This campaign starts Monday, Oct.4, and ends Friday, Nov. 3. Key dates for the MICRC relevant to the campaign are included below:

- October—Launch statewide press conference to kick off the 2nd Round of Public Hearings.
- October—Begin constitutionally required public hearings—Macomb (Oct. 25), Livonia (Oct. 26), and Detroit (Oct. 28).
- November—Statewide Press Conference to report the results of the 2nd Round of Public Hearings

The MICRC seeks to have the contractor onboard the week of Monday, Sept. 20.
