Section 4.10: Rules of Order. Commission meetings shall be conducted according to the current edition of Roberts Rules of Order, Newly Revised, subject to any procedures to the contrary set forth in these rules, applicable law, or such other rules adopted by the Commission, which shall take precedence over Roberts Rules.

Rule 4.10.1: Motion to Discuss. This motion shall be utilized solely to receive information or discuss a topic or issue before the Commission. The maker of the motion shall specify such topic or issue when the motion is made. The proposal for action of this motion is whether to discuss the specified topic or issue. A second is required. If adopted, the topic or issue shall be discussed by the Commission. A separate main motion is required to take any further action on that topic or issue.

Rule 4.10.2: Motion to Amend; Secondary Amendments; No Tertiary Amendments; Clear the Floor. These motions change the wording of the main motion before it is voted upon. Amendments must be germane to the main motion (i.e., it must in some way involve the same question that is raised by the motion to which it is applied). Its acceptance does not adopt the motion thereby amended; that motion remains pending in its modified form. Rejection of an amendment leaves the pending motion worded as it was before the amendment was offered. An amendment can insert and/or strike words, phrases, sentences or paragraphs. Amendments that have the effect, if adopted, of being a “no” vote on the main motion are improper and out of order. The Chairperson shall rule out of order any proposed motion to amend that is not germane or that, if adopted, would constitute a “no” vote on the main motion.

- A. A motion to amend a main motion, called a “primary amendment,” shall take precedence over the main motion. Any member may move to amend a main motion so long as they have the floor. A second is required.
- B. A motion to amend an amendment to a main motion is called a “secondary amendment” and shall take precedence over a main motion or primary amendment. A secondary amendment also requires a second. A secondary amendment cannot be amended (i.e., amendments of the third order called a “tertiary amendment” are not permitted). Only one primary and one secondary amendment are permitted at a time, but any number of each can be offered in succession so long as they do not raise questions already decided.
- C. Motion to Clear the Floor. This motion shall be made by the Chairperson or a member recognized by the Chair at any time procedural matters have become sufficiently confused. If the motion to clear the floor has been adopted, it shall clear the floor of all pending motions and amendments thereto as if they have been withdrawn. A second is required. The motion shall not be subject to debate nor, if adopted, to reconsideration. Similar to

withdrawal of a motion prior to a vote under Rule 4.10.4, the text of the motion to clear the floor as well as the pending motions and amendments thereto to which it applies shall not be captured in the minutes. After this motion has been adopted, the situation is as though the motion(s) had never been made; therefore, the same motion(s) can be made again at the same or any subsequent meeting.

Rule 4.10.3: Motion to Suspend the Rules. Used to make a rule, policy or procedure of the Commission temporarily inoperative for the meeting at which the motion is adopted. A second is required. Except for those rules derived from the constitution or state law or where specifically prohibited in the rule, policy or procedure, the Commission may adopt a motion to suspend its rules, policies or procedures, in whole or in part, by two-thirds vote of members present.

Rule 4.10.4: Request for Permission (or Leave) to Withdraw or Modify a Motion. Any motion that has been made and seconded but where voting has not begun may be withdrawn, even if the motion has been amended. Generally, a request to withdraw a motion occurs after some discussion and it is realized that it may be phrased incorrectly, the timing of raising the issue is improper (i.e., premature to address that issue) or the issue is too contentious or divisive. Depending on the timing of such request for withdrawal or modification, the following shall apply:

- A. Leave to Withdraw or Modify a Motion Prior to It Being Stated by the Chair. Before a motion has been restated by the Chair it belongs to the maker of the motion, not the Commission.
 1. In the brief interval between the making of a motion and it being stated by the Chair to open discussion, the maker may withdraw it or modify it without asking consent of anyone.
 2. In the same brief interval, another member may request the maker to withdraw or accept a change to the motion. If the mover agrees the Chair states that the motion has been withdrawn or so modified. The member who provided the second for the original motion may withdraw their support if the original motion is modified in this manner. If this occurs, the member who suggested the modification serves as the second for the modified motion.

- B. Permission to Withdraw or Modify a Motion Subsequent to It Being Stated by the Chair. After a motion has been stated by the Chair (i.e., that the motion was moved and seconded, allowing for discussion to begin), that motion belongs to the Commission, not the maker. This requires the Commission's permission for the motion to be withdrawn or modified.
 1. To modify a motion after it has been stated by the Chair, the maker or any member may offer a motion to amend under Rule 4.10.2.
 2. After a motion has been stated by the Chair, the maker of the original motion must request permission to withdraw a motion using the following procedures:
 - a. The request to withdraw the motion is first treated as a unanimous consent request by the Chairperson. The question from the maker of the motion shall be, "I move that I be allowed to withdraw the motion." A second is required. The Chairperson asks, "Is there any objection to withdrawing the motion?" If there is no objection, the Chairperson states, "Hearing no objection, the motion is withdrawn."
 - b. If there is an objection, the Chairperson can put the request before the Commission for consideration or any member can move that "permission to

withdraw the motion be granted.” If the member making the motion to grant permission to withdraw was not the original maker of the motion being withdrawn, a second is not required as both the maker of the motion to grant permission and the original maker of the motion are both in support of the motion to withdraw.

- c. If a motion is withdrawn the Commission proceeds with the next order of business. Any motions that adhere to the motion that was withdrawn are also disposed of and are no longer pending before the Commission. The text of the motion to withdraw as well as the pending motions and amendments thereto to which it applies shall not be captured in the minutes. After this motion has been adopted, the situation is as though the motion(s) had never been made; therefore, the same motion(s) can be made again at the same or any subsequent meeting.

Rule 4.10.5: Utilization of Consensus Discussion During Draft Mapping. The Commission may utilize consensus to develop mutually acceptable solutions. Consensus is a deliberative process involving a good-faith effort to reach an outcome through discussion and collaboration. It helps establish a common understanding and framework for developing solutions. Stated another way, it seeks to transform adversarial interactions into a cooperative search for data and common ground. Consensus is reached whenever the Commission, as a body, is satisfied with the draft proposals after every effort has been made to get as close as possible to agreement.

- A. Utilization of Consensus. The Commission may utilize consensus discussion to draw proposed draft maps and discuss alternate draft maps. This will likely lead to one or more versions of draft maps. The Commission may utilize consensus discussion throughout the map drafting process. Draft proposed maps will be formally acted upon via motion prior to the second round of public hearings for identification of maps for publication of proposed maps and consideration by the public. Proposed maps will be formally acted upon via motion for identification of maps for publication for public comment during the 45-day period of public comment, and the subsequent vote to adopt final maps as set forth in article IV, section 6 of the 1963 Michigan Constitution.
- B. Consensus Process. The Chairperson or Vice-Chairperson shall facilitate the discussion. Consensus discussion invites widespread participation to increase the quality of proposed solutions. Individual members shall be recognized by the Chairperson or Vice-Chairperson prior to contributing. The goal is to build collaborative Commission maps through such discussion, identify options, discuss rationale and achieve consensus to move forward in the mapping process. Consensus discussion and the draft maps that are produced from it do not abrogate the ability of an individual member to propose redistricting plans as set forth in article IV, section 6 of the 1963 Michigan Constitution as follows:
 1. Each member may only propose one redistricting plan for each type of district under Subsection 9.
 2. Each member may submit one proposed plan for each type of district to the full Commission for consideration under Subsection 14(c)(i).
- C. Formal Votes Required. While consensus may be utilized during the map drafting process, formal votes shall be taken to select draft maps for publication as draft proposed maps prior to the second round of public hearings; adopting proposed maps for publication triggering

the 45-day public comment period; and the final vote to adopt final maps after the 45-day public comment period has expired.

5.0 CONDUCT OF OPEN MEETINGS

Section 5.1: Open Meetings. The Commission shall conduct meetings in accordance with these rules. The Commission shall use technology to provide contemporaneous public observation and meaningful public participation in the redistricting process during all meetings and public hearings.

Section 5.2: Location and Notice. Meetings and public hearings shall be conducted at a place and time designated by the Commission, in accordance with these rules. A minimum of five (5) hour advance public notice of Commission meetings and public hearings shall be provided. Public notice shall be given by posting all notices on the Commission website. The Secretary to the Commission is designated as the person to give public notice.

Section 5.3: Rescheduling of Meetings. **The Chairperson, Vice-Chairperson, or the Executive Director may reschedule a meeting or public hearing.** If any meeting or public hearing of the Commission must be rescheduled, this change shall be posted at least **five (5)** hours before the rescheduled meeting.

Section 5.4: Cancellation of Meetings. **The Chairperson, Vice-Chairperson, or the Executive Director may cancel a meeting or public hearing.** If any meeting or public hearing of the Commission must be cancelled, a notice of cancellation shall be posted on the Commission website as soon as practicable prior to the cancelled meeting or public hearing.

Section 5.5: Remote Attendance. Any member of the Commission may attend meetings and public hearings remotely for any reason by providing notice pursuant to the following:

- A. Individual members remotely attending a meeting shall notify, via email, the Secretary to the Commission being the Michigan Secretary of State at Secretary@michigan.gov and MDOS staff supporting the MICRC at Redistricting@michigan.gov as soon as possible.
- B. The notice shall include the email address for the member of the public body who will be attending the meeting remotely, so that the public may contact the member sufficiently in advance of the meeting to provide input or ask questions on any business that will come before the public body at the meeting. In accordance with Section 6(11) of Article 4 of Michigan's 1963 Constitution, except for an MICRC meeting or a town hall forum that has been publicly noticed and open to the general public, members may only communicate about redistricting matters with members of the public to gain information relevant to the performance of his or her duties if such communication occurs in writing.
- C. For each member of the MICRC attending a meeting remotely, that member shall announce during roll call that he or she is attending the meeting remotely and shall announce the member's physical location by stating the county, city, township, or village and the state from which he or she is attending the meeting remotely. This announcement must be included in the minutes of the meeting.

6.0 MEETINGS

Section 6.1: Mandated Public Hearings.

Section 6.1.1: Prior to the drafting of any redistricting plan by a member, a quorum of the Commission shall hold a minimum of ten (10) public hearings throughout the state to:

- A. Inform the public about the redistricting process, the purpose and responsibilities of the Commission; and
- B. Solicit information and input from the public about potential redistricting plans.

Section 6.1.2: After developing at least one proposed redistricting plan for each type of district, the Commission shall publish the proposed redistricting plans and any data and supporting materials used to develop the plans. Each member may only propose one redistricting plan for each type of district: state senate districts, state house of representative districts, and U.S. congressional districts. A quorum of the Commission shall hold a minimum of five (5) public hearings throughout the state for the purpose of soliciting comment from the public about the proposed plans.

Section 6.2: Meetings. Official actions shall be taken only at a meeting which is conducted in accordance with these rules. The Commission shall conduct meetings in person or remotely by majority vote of the Commission in setting such meeting as follows:

Section 6.2.1: First Regular Meeting of Year. At the first Regular Meeting of the year, the Commission may announce its schedule of dates and times for remaining regular meetings for the calendar year and shall post public notice of the schedule. Public notice of the first Regular Meeting shall be given in the same manner as a Special Meeting.

Section 6.2.2: Regular Meetings. The Commission shall meet in regular session which shall be held no less frequently than one meeting per month unless otherwise determined by an affirmative vote of a quorum of its members **before maps are approved. After maps are approved, the Commission shall meet no less frequently than once per quarter unless otherwise determined by an affirmative vote of a quorum of its members.**

Section 6.2.3: Rescheduled Regular Meetings. The Commission may announce revisions to the schedule of regular meetings at any prior meeting or may post revisions to the schedule on the Commission's website that is fully accessible to the public. A Rescheduled Regular Meeting shall substitute for the originally scheduled Regular Meeting for purposes of these rules, and all official actions taken shall have the same force and effect as those taken at a Regular Meeting.

Section 6.2.4: Special Meetings. Special Meetings of the Commission may be scheduled by majority vote of the Commission during a meeting or may be called by the Chairperson, Vice-Chairperson or the Executive Director with not less than a five (5) hour notice. The location of a special meeting shall be a place and time designated in the special meeting notice. All official actions taken at a Special Meeting shall have the same force and effect as those taken at a Regular Meeting of the Commission.

Section 6.2.5: Closed Sessions. The Commission may go into closed session only for purposes not inconsistent with the Court's opinion in *The Detroit News, Inc. v Independent Citizens Redistricting Commission*, ___ Mich ___ (2021) (Docket No. 163823). Upon written

request of a staff person, or the advice or request of General Counsel or any Commissioner that an agenda item falls under permissible closed session purpose(s), the Chairperson shall ask the Secretary to call for a roll call vote to go into closed session. Upon a two-thirds affirmative roll call of members serving, the portion of the meeting conducted in closed session not inconsistent with the aforementioned opinion shall be closed to the public. The Chair shall state the following information for the record: the result of the roll call vote, the date and time of the closed session, the permissible purpose(s) and the reason(s) for calling the closed session. The foregoing information shall be entered into the minutes of the meeting at which the vote is taken and be part of the official record.

Section 6.3: Recessed Meetings. Any meeting of the Commission may be recessed to a later date and time, provided that no adjournment shall be for a longer period than until the next scheduled meeting. Any meeting that is recessed for more than thirty-six (36) hours shall be reconvened only after public notice has been posted at least five (5) hours before the meeting.

7.0 OFFICERS

Section 7.1: Officers. The officers of the Commission shall be the Chairperson and Vice-Chairperson. The secretary of state shall serve as the non-voting Secretary to the Commission.

Section 7.2: Nominations and Election. The Commission shall nominate and elect from within its membership a Chairperson and a Vice-Chairperson.

Section 7.3: Tenure. The Chairperson and Vice-Chairperson shall take office immediately following their election and shall hold office for a term of six (6) months, or until resignation of that office, or until their successors are elected and assume office. In the event the office of the Chairperson becomes vacant, the Vice-Chairperson shall succeed to this office for the unexpired term and the Commission shall elect a successor to the office of Vice-Chairperson for the unexpired term. A Commissioner may be nominated and elected for the same office for two or more consecutive terms.

Section 7.4: Duties.

Section 7.4.1: Chairperson.

- A. The Chairperson shall:
1. Call to order and preside at all meetings, when present and able to preside;
 2. Preserve order and decorum and may speak to points of order in preference to other members. The Chairperson will decide all questions arising under this parliamentary authority, subject to appeal and reversal by a majority of the members present;
 3. Enforce these rules of procedure;
 4. Perform any other administrative or agenda duties as directed by the Commission;
 5. Have all the same rights as other members with respect to procedural matters, debate and voting except that the Chairperson shall not vote on the appeal of a parliamentary ruling by the Chairperson; and
 6. In the event of absence or disability of both the Chairperson and Vice-Chairperson during a meeting, the Chairperson may designate another of its members to serve as Acting Chair during such absence or disability. If neither the Chairperson or

Vice-Chairperson are present to call a meeting to order, the meeting shall be called to order by the Secretary to the Commission who shall conduct the election of an Acting Chair for that meeting by majority vote of members present.

- B. In the event the Chairperson is not physically present at a meeting or is unable to preside for any reason during a meeting, whether physically present or remotely attending, and the Vice Chair is physically present, the Vice-Chair shall preside over all or a part of the meeting as Acting Chair. The Chairperson's designation of the Vice Chair as Acting Chair shall not diminish or impair the Chair's rights as a member of the Commission.

Section 7.4.2: Vice-Chairperson. The Vice-Chairperson shall perform the duties of the Chairperson when the Chairperson is unavailable, except as otherwise provided by law. The Vice-Chairperson shall act in the capacity of the Chairperson in the Chairperson's absence or when designated as Acting Chair by the Chair pursuant to subsection 7.4.1(B). In the event of absence or disability of both the Chairperson and Vice-Chairperson during a meeting, the Vice-Chairperson may designate another of its members to serve as Acting Chair during such absence or disability. As directed by the Chair, the Vice-Chairperson may help facilitate group discussion on items before the Commission.

Section 7.4.3: Secretary. The secretary of state shall be Secretary to the Commission without vote, and in that capacity shall keep the official record of all proceedings of the Commission and furnish, under the direction of the Commission, all technical services that the Commission deems necessary. The duties of the Secretary shall also include:

- A. Facilitating the process for the selection of commissioners pursuant to article IV, section 6, subsection 2 of the Constitution.
- B. Issuing a call convening the Commission by October 15 in the year of the federal decennial census.

This publication shall include the plan and the material reports, reference materials, and data used in drawing it, including any programming information used to produce and test the plan. The published materials shall be such that an independent person is able to replicate the conclusion without any modification of any of the published materials.
- F. Maintaining a public record of all proceedings of the Commission and shall publish and distribute each plan and required documentation. An adopted redistricting plan shall become law sixty (60) days after its publication.
- G. Taking and maintaining minutes of all Commission meetings including votes on all official actions taken at those meetings. All decisions of the Commission shall be recorded, and the record of its decisions shall be readily available to any member of the public as required by law and shall be provided without charge.

8.0 ORDER OF BUSINESS AND AGENDA

Section 8.1. Agenda. The Commission may post a proposed agenda prior to or during a meeting. A written agenda for all members shall be prepared and followed.

Section 8.1.1: Agenda Preparation. The Executive Director shall prepare the proposed agenda. The agenda shall be prepared in consideration of items received from members for inclusion on an agenda. The agenda shall include a recess which will be inserted in appropriate place(s) on the agenda based on the length of the meeting and number of line items to be addressed. The following format shall be utilized for the Order of Business:

- I. Call to Order. The Chairperson shall call a meeting to order.
- II. Roll Call. The Secretary shall call the roll and declare whether there is a quorum.
- III. Adoption of the Agenda. The Commission may amend and shall adopt an agenda by majority vote of members present. Items may be added or deleted by amendment.

- V. Public Comment. The public shall be invited to provide comment pursuant to Section 12.0 of these rules.
- VI. Unfinished Business. Items of Commission business or issues from a previous meeting that were postponed, were not addressed, or otherwise left unresolved. - VII. New Business: Items of Commission business or issues that are new to the Commission, designated as new business at a prior meeting or an item that was defeated at a prior meeting. No member shall be permitted to speak a second time on the same issue until other members wishing to make a comment on the subject have had an opportunity to do so.

- XIV. Announcements. Opportunity for individual members or staff to make comment or an announcement regarding upcoming activities relating to the Commission's work.
- XV. Adjourn. When the items on the agenda are completed and the Commission has no further business, a motion to adjourn is in order.

A written agenda for special meetings shall be prepared and followed, however the form as enumerated above shall not be necessary.

Section 8.2: Agenda Packet. The agenda package shall be forwarded via electronic mail transmission to each member at least 24-hours prior to the start of the meeting. The package shall contain the proposed agenda and sufficient information and reports so that members may have a basic working knowledge of each item appearing on the agenda.

Section 8.3: Amendments to the Agenda. The agenda may be amended at the Commission meeting by action of the Commission.

9.0 VOTING

Section 9.1: Duty to Vote. Appointment to a deliberative body carries with it the obligation to vote. Members present at a meeting shall vote on every matter before the Commission, unless otherwise excused or prohibited from voting as follows:

- A. A member may abstain from voting if he or she:
 - a. Has a conflict of interest, as set forth in Section 3.8 of these rules or as defined by law. An individual member shall disclose the presence of a conflict of interest or raise a potential conflict of interest when the agenda item is called, prior to the start of discussion or deliberation. Should a conflict of interest become clear during the discussion, the member shall raise the existence of an actual or potential conflict at that time. An individual member may seek the opinion of the General Counsel whether a conflict exists, however this opinion shall not be binding on the Commission. The

Commission shall decide, by majority vote of members present, whether a conflict of interest exists. A vote may be postponed, if necessary, to obtain the opinion of the General Counsel. No member shall vote on any question concerning their own conduct. A member with a conflict of interest is prohibited from participating in any discussion, debate, or decision on that issue; or

- b. Lacks sufficient information about the issue to be decided. If a member abstains, he or she shall state for the record their intention to abstain and the reason(s) for doing so prior to the vote. The abstaining member shall not be restricted or prohibited from participating in any discussion or debate on the issue.
- B. If any member abstains from voting, a roll call vote shall be required on that issue. The reason(s) for the abstention shall be entered into the minutes of the meeting at which the vote is taken and be part of the official record.
- C. The right to vote is limited to the members present at the time the vote is taken. Voting by proxy is prohibited.
- D. All votes must be held and determined in public; secret ballots are prohibited.
- E. Prior to calling for a vote, the Chairperson shall state the question being voted upon or request that staff or the Secretary restate the question.

Section 9.2: Manner of Voting. Except as otherwise provided in these rules or by law, voting shall be by unanimous consent, voice vote, roll call or show of hands unless a written ballot is requested. A written ballot shall state the member's name and each ballot shall be read aloud. The result of the vote by written ballot shall be announced, be entered into the minutes of the meeting at which the vote is taken and the ballots shall be a part of the official record. Secret ballots are prohibited. Roll call votes shall be taken when required in these rules or by law, at the request of any member, or when the Chairperson cannot determine the results of a voice vote. The Secretary shall rotate the order of names called during a roll call vote.

Section 9.3: Voting. Except as otherwise provided in these rules or by law, voting shall be approved by a majority of the Commissioners entitled to vote as follows:

- A. A final decision of the Commission requires the concurrence of a majority of members.
- B. A decision on the dismissal or retention of paid staff or consultants requires the vote of at least one (1) member affiliating with each of the major parties and one (1) non-affiliating member.
- C. A final decision of the Commission to adopt a redistricting plan requires a majority vote of the Commission, including at least two (2) members who affiliate with each major party, and at least two (2) members who do not affiliate with either major party. If no redistricting plan satisfies this requirement for a type of district, the Commission shall use the following procedure to adopt a plan for that type of district:
 - a. Each member may submit one proposed plan for each type of district to the full Commission for consideration.
 - b. Each member shall rank the plans submitted according to preference. Each plan shall be assigned a point value inverse to its ranking among the number of choices, giving the lowest ranked plan one point and the highest ranked plan a point value equal to the number of plans submitted.
 - c. The Commission shall adopt the plan receiving the highest total points, that is also ranked among the top half of plans by at least two (2) members not affiliated with the party of the commissioner submitting the plan, or in the case of a plan submitted by non-affiliated commissioners, is ranked among the top half of plans by at least two (2) commissioners

affiliated with a major party. If plans are tied for the highest point total, the secretary of state shall randomly select the final plan from those plans. If no plan meets the requirements of this subparagraph, the secretary of state shall randomly select the final plan from among all submitted plans pursuant to subpart (a) above.

Section 9.4: Results of Voting.

- A. In all cases where a vote is taken, the Chairperson or the Secretary shall declare the result.
- B. It will be in order for any member voting in the majority to move for a reconsideration of the vote on any question at that meeting or at the next succeeding meeting of the Commission provided that no action has been taken as a result of the previous vote. When a motion to reconsider fails, it cannot be renewed.

10.0 COMMITTEES

Section 10.1: Committee Formation. The Commission may appoint and maintain standing or ad hoc committees as it deems appropriate.

Section 10.2: Appointment and Authority. The Commission shall appoint all committees and committee chairs. It shall be the function of committees to conduct studies and hearings, make recommendations to the Commission, and carry out such activities as may be delegated to them by the Commission. All Committees are subject to the conduct of open meetings set forth in Section 5.0 of these rules.

Section 10.3: Limitation of Authority. No action by any committee, individual member, employee, or officer shall be binding upon, or constitute an expression of, the policy of the Commission until it has been approved or ratified by the Commission.

Section 10.4: Discharge. Committees shall be discharged by the Commission when their work has been completed and their reports accepted, or when, in the opinion of the Commission, it is deemed wise to discontinue the committee.

11.0 DECORUM AND CIVILITY

Section 11.1: Duty of the Chairperson. It shall be the duty of the Chairperson to maintain order and decorum at meetings.

Section 11.2: Addressing Members. Members shall address each other through the Chairperson, or Vice-Chairperson when designated by the Chairperson, with respect and will not direct negative comments or gestures towards other members.

Section 11.2.1: Exceptions. A member may request to speak with the permission of the Chairperson, or Vice-Chairperson when designated by the Chairperson. Members shall not interrupt one another; however, point-of-information or fact may be allowed with the permission of the Chairperson.

Section 11.3: Refrain from Outbursts. To maintain the atmosphere of professionalism appropriate to Commission meetings, its members, staff, attorneys, and consultants will avoid public verbal, non-verbal or physical reactions while anyone is speaking regardless of whether the public reaction is in support of or in opposition to another member's point of view. This rule is directed at individual behavior and not intended to inhibit normal group responses such as laughter in response to a humorous statement.

Section 11.4: Maintaining Respect for Members. The Chairperson and Vice-Chairperson shall maintain impartiality and treat all members with the respect that is due the position of a Commission member. Members shall treat each other and the Chairperson and Vice-Chairperson with like respect.

Section 11.5: Communication Devices During Commission Meetings. Members who have indicated a necessity to have cell phones or other communication devices at the Commission table may be allowed to retrieve information for emergency purposes. Members shall excuse themselves from the table in order to return needed messages. All cell phones and other communication devices shall be set to vibrate or placed in silent mode during meetings.

12.0 PROCEDURES FOR PUBLIC PARTICIPATION

Section 12.1: Public Participation. Meetings of the Commission are public meetings and individuals shall have a reasonable opportunity to be heard.

- A. The Commission shall conduct its meetings and public hearings in a manner that invites wide public participation throughout the state.
- B. The Commission shall use technology to provide contemporaneous public observation and meaningful public participation in the redistricting process during all meetings and public hearings.
- C. The Commission shall receive and consider written submissions of proposed redistricting plans and any supporting materials, including underlying data, from any member of the public. These written submissions are public records and shall be provided to the Commission.
- D. At the designated time provided in the agenda, the Chairperson may recognize and extend an opportunity to speak to any person desiring to address the Commission.
 - a. Public comment at a meeting of the Commission, as specified under Section 8.1.1 of these rules, the public shall be restricted to comment on agenda items only, with a two (2) minute time restriction. The Secretary shall keep time and advise when the two minutes have expired.
 - b. Public comment at a public hearing of the Commission, as specified under Section 6.1 of these rules, the public shall be restricted to comment on the specific public hearing items on the agenda only, with a two (2) minute time restriction. The Secretary shall keep time and advise when the two minutes have expired.
 - c. The Commission may act to suspend the time limits set forth in subparts a and b and set an alternate time limit for public comment.
- E. The Chairperson may warn any person or curtail an opportunity to speak for failure to be germane, for vulgarity, for redundancy within their comment, for speaking in excess of the allotted time, for technical issues, or for failure to address remarks to the Commission.
- F. A person may be excluded from a meeting otherwise open to the public for a breach of the peace actually committed at the meeting. If any person disrupts the orderly progress of a meeting or refuses to comply with applicable Commission guidelines and rules, the Chairperson may rule that person out of order and/or order their removal from that meeting.

Section 12.2: Addressing the Commission. Members of the public desiring to address the Commission by oral communication shall first secure the permission of the Chairperson and be recognized before speaking. Guidance on participation will be provided in advance of the meeting in the meeting notice and provided verbally by the Chairperson or Secretary during the meeting.

Section 12.3: Manner of Addressing the Commission. Each person addressing the Commission shall approach the microphone and may give his or her name in an audible tone of voice for the record. All remarks shall be directed to the Commission as a body, even when such comments note agreement or disagreement with an individual member. No person, other than members of the Commission and the person having the floor, shall be permitted to enter into any discussion, either directly or through the members of the Commission. All questions to the Commission or its individual members shall be directed through the Chairperson. If any person disrupts the orderly progress of a meeting or refuses to comply with applicable MICRC guidelines and rules, the Chairperson may rule that person out of order and/or order their removal from that meeting.

Section 12.4: Personal and Slanderous Remarks.
