Hello Sally,

It is with regret that I tender my resignation from the Michigan Independent Citizens Redistricting Commission, effective immediately.

I am grateful for having had the opportunity to have been selected, but due to changes in my personal circumstances I don't feel that I could give the Commission the attention and service that it deserves on behalf of the people of Michigan. If you could please let me know if this email will serve as official written notice per the provision of the same in the Michigan Constitution, or if there is some other document that i need to send and to whom i should send it to, i would greatly appreciate any help or guidance you could provide me on this matter. I wanted to be sure to give you time to replace me without too much trouble, and so that a replacement commissioner can come up to speed relatively quickly.

I hope the best for the Commission and wanted to let you know that I think yourself and the other folks in the Secretary's office are to be commended for the excellent work you are doing on behalf of the citizens of the State of Michigan.

Sincerely,

James E Decker
