Key to Proposed District Maps

-  District line
-  State line
-  County line
-  Water
-  Area too dense for labels. See corresponding detail map.

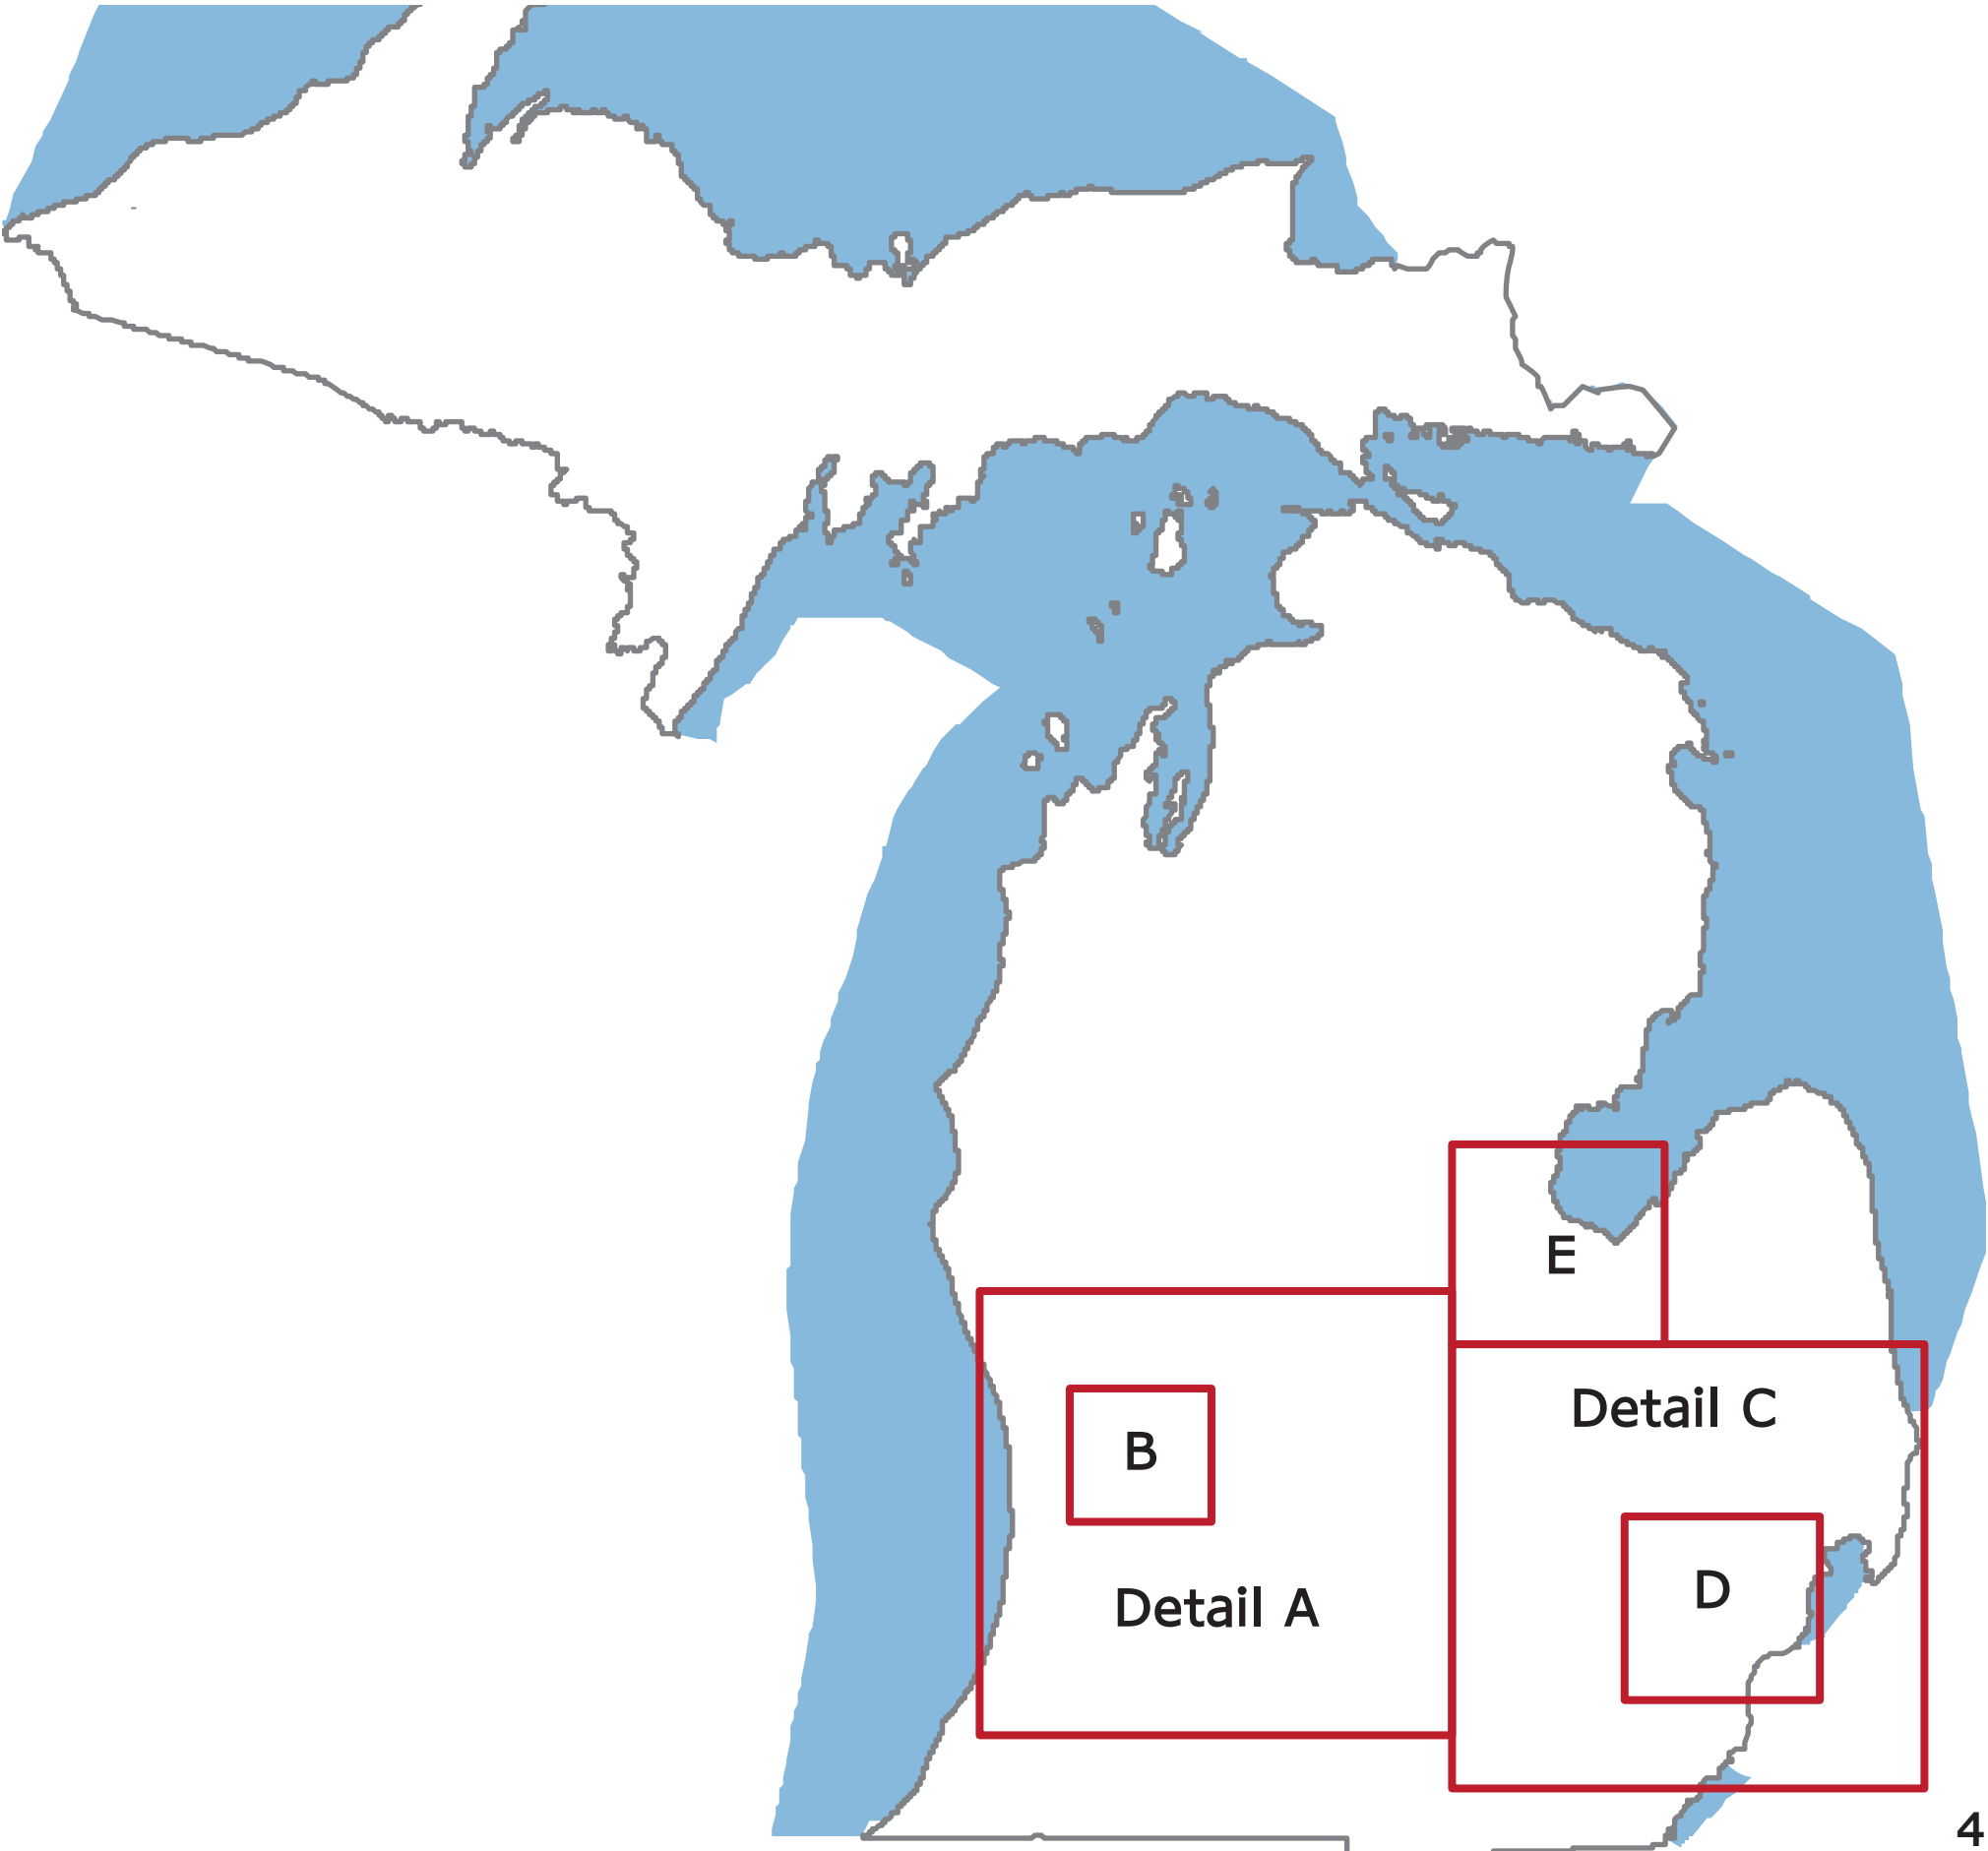

Transcriber note:

Braille numeric indicators have been omitted on State Senate and State House maps to save space, with the exception of district 1.

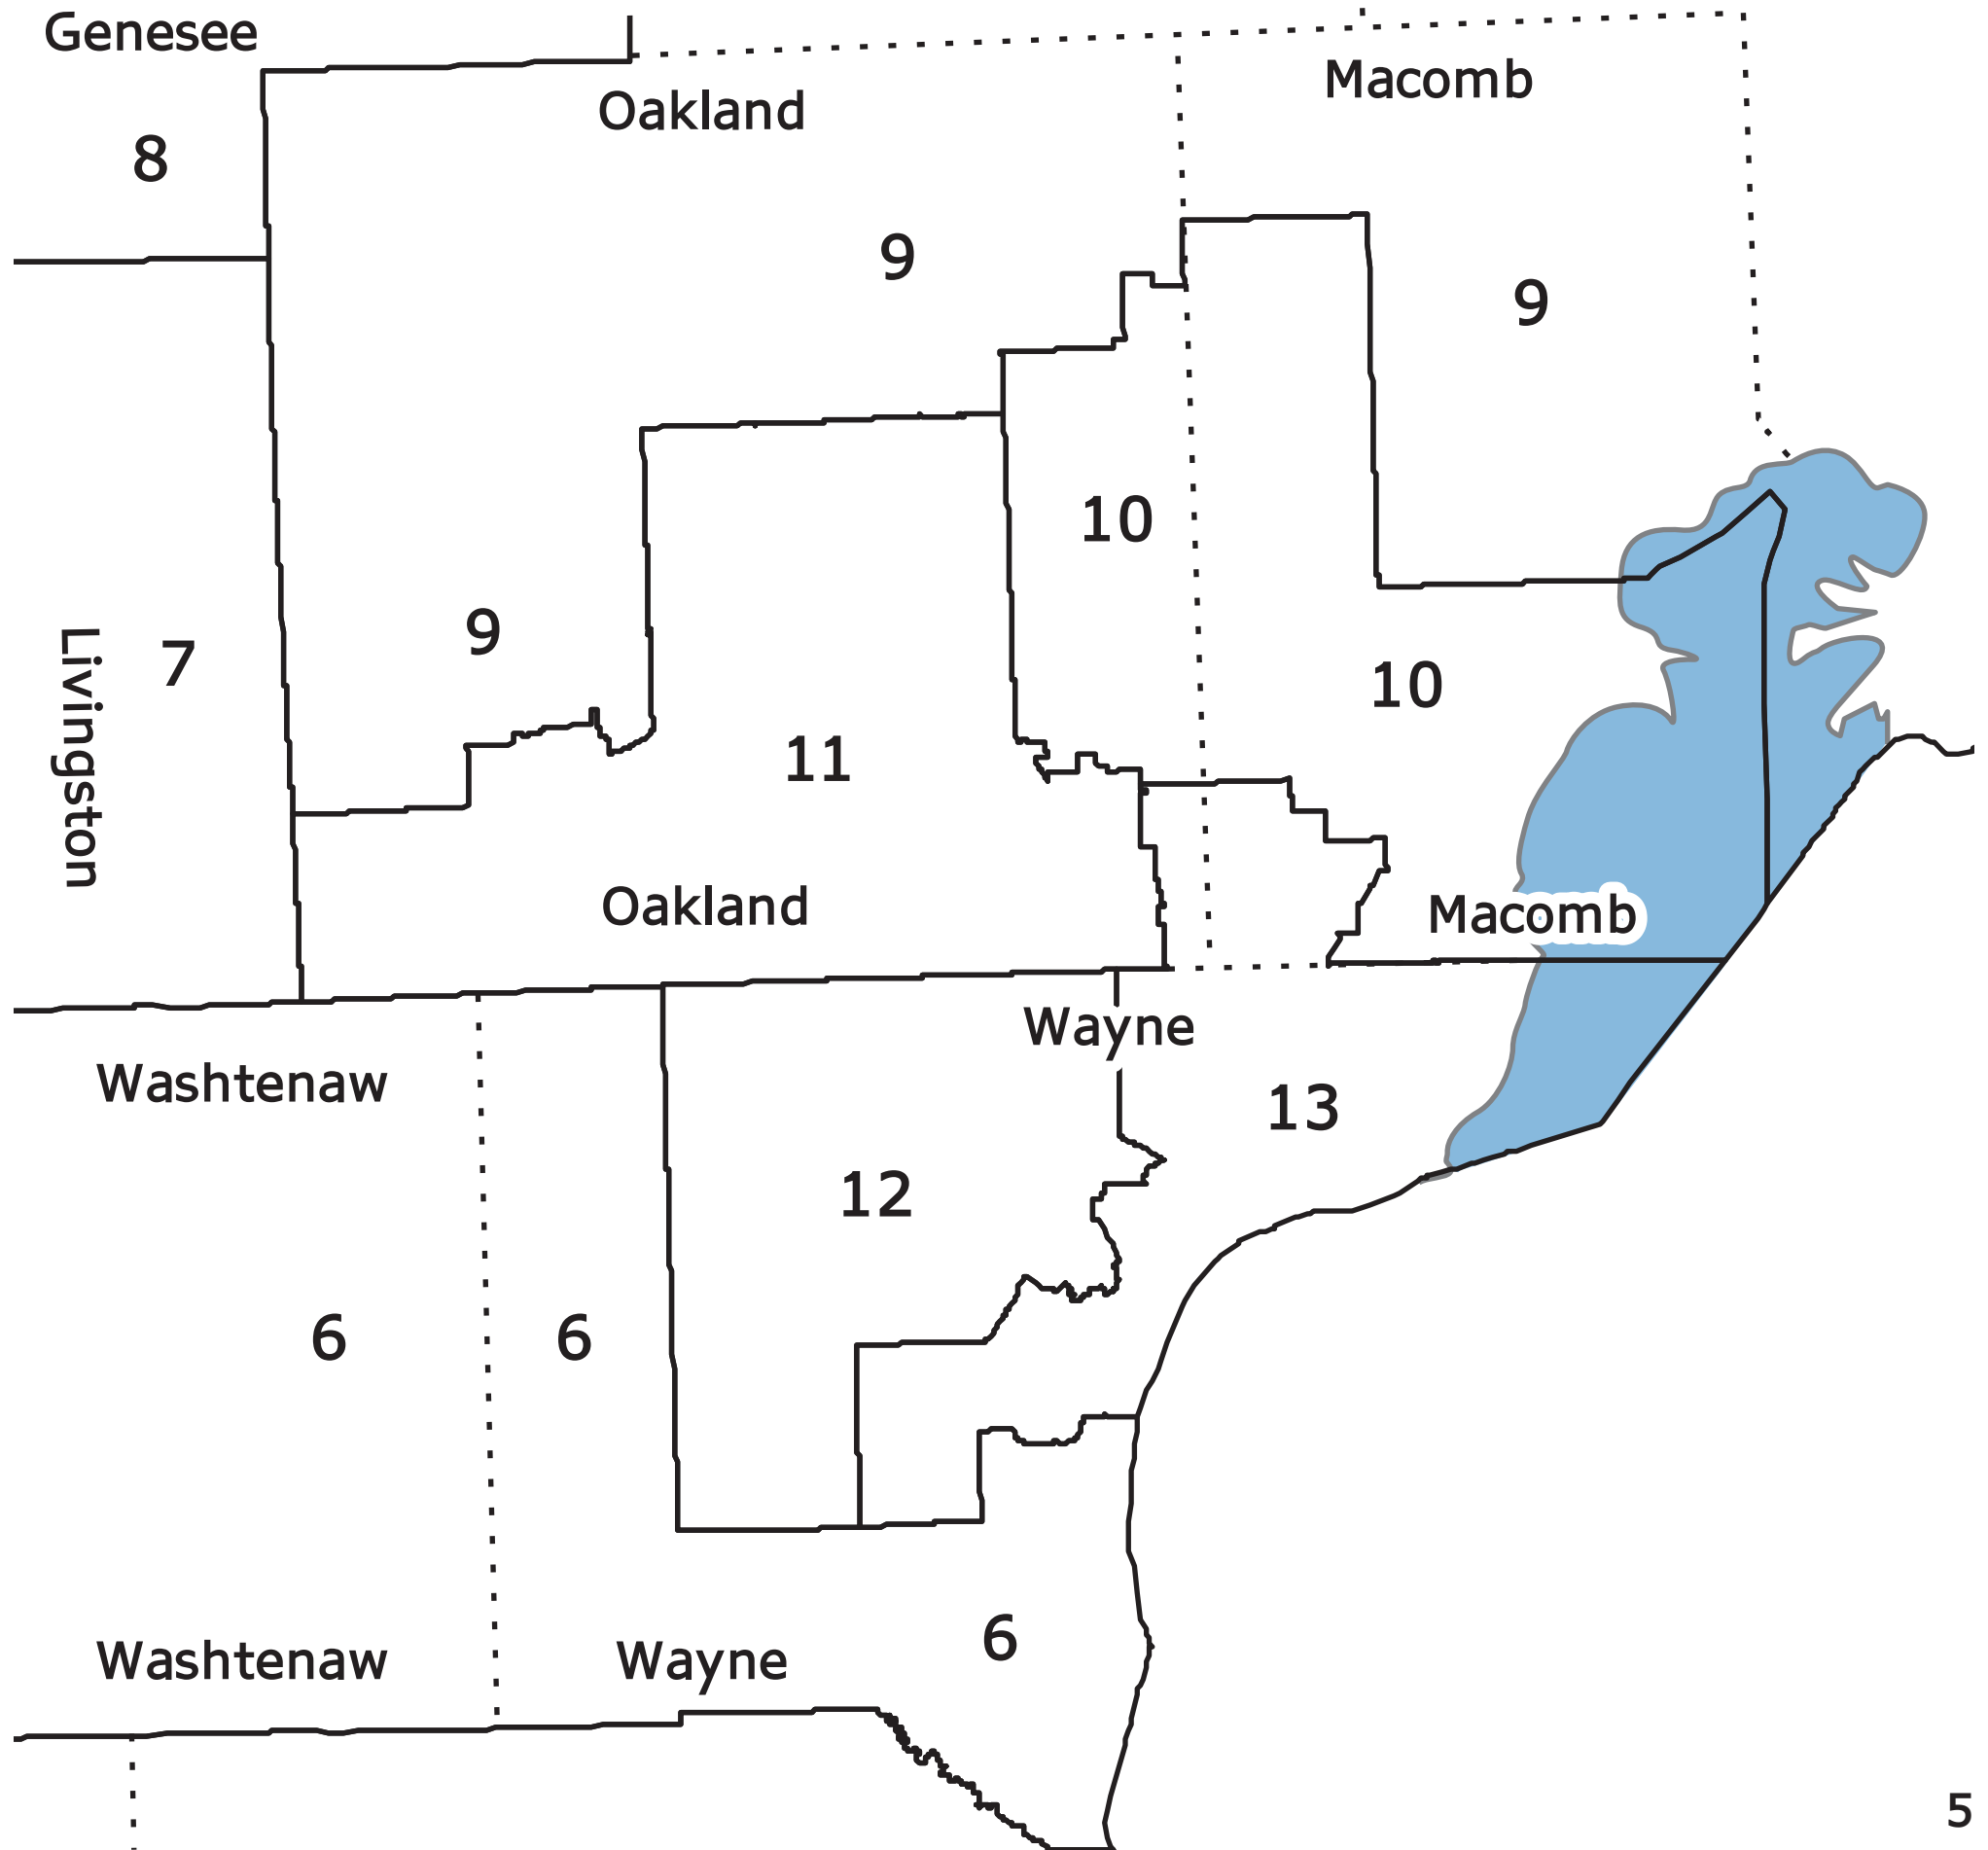

Isle Royale, which is part of Keweenaw County, has been omitted from the Michigan Counties map. Keweenaw County has been omitted from proposed district maps, since maps clearly indicate the districts for this county.

There are 5 detail maps (A-E) of areas shown to the right. A includes Kalamazoo, Grand Rapids, and Lansing. B focuses on Grand Rapids. C includes Flint, Ann Arbor, and Detroit. D focuses on Detroit. E focuses on Saginaw, Bay and Midland, the tri-cities/counties area.
