This form is oddly designed so that it appears that the opportunity to comment will come on a subsequent page - after pressing "next". Please label this box! — CD2 is such a distorted shape that my son living in Grand Rapids last year, has moved further east, and suddenly he's back in our Whitehall CD. Interests of suburban families east of Grand Rapids have little contact or commonalities with Whitehall and rural areas in Oceana and Newaygo Counties. This makes it very hard to bring any of our issues to our Congress Rep with enough of the constituents to make him listen. We are dissimilar and far apart- so we are not represented at all.
