June 7, 2021 Meeting Public Comment***

Date of Submission: Thursday, June 3, 2021 4:10 PM

Method of Submission: Email To <Redistricting@Michigan.gov>

Name: Nancy Bliss

Subject: Public Meeting

I would expect in Oakland County you would include a projected image of the county with the total population and numbers for each municipality such that citizens can easily see possible districts. Oakland should have one congressional district plus half of it forming part of another.

Also, areas could be color coded to show the different income levels.

Another map could display ethnic distribution. This would be a foundation for group discussion with an informed audience.
