Dear Commission Members,

I live in Michigan and am directly impacted by the choices you make in drawing new lines. You are responsible to the residents of Michigan for your decisions and no one else. Therefore the only feedback taken into consideration should be from the residents of Michigan and NOT other states or countries!

Foreign interference in our state elections should not be something even under consideration. Please do the honorable thing and preserve our state.

Sincerely,

Cindy Pearson

Hello Commission Members, I live in Michigan, my children live in

Michigan. The decisions you make will affect my life and the future of michigan's citizens. No other state or country has the right to influence the outcome of this commission. Your responsibility is to the citizens of Michigan alone.

Foreign influence on elections, districts, procedures and these proceedings is untenable. Serve the citizens of Michigan honorably and preserve our state.
