MIHP Important Update - Home Visiting Parent Engagement Opportunity

*The information below is being shared on behalf of the Michigan Department of Health and Human Services (MDHHS) Home Visiting Unit. **We encourage that this opportunity be shared with families as soon as possible, as interviews will be conducted in the coming weeks.***

The MDHHS Home Visiting Unit continues to work towards ensuring parents are engaged at the state level and incorporating family voice to promote positive change. An opportunity is available for parents to be interviewed regarding home visiting services received From October 1, 2021 to now. Participants will be compensated for their time and their stories could be incorporated into the Home Visiting Legislative Report.

Ensuring representation across home visiting models and families served will be an important aspect of this effort. Please see the attached information and consider sharing this opportunity with families.

Thank you,

MDHHS Maternal Infant Health Program Team
