Family Center Hosts Mentor, Bereavement Trainings

The Family Center for Children and Youth with Special Health Care Needs (Family Center) is the statewide, parent-directed center within Children's Special Health Care Services (CSHCS) and MDHHS. The mission of the Family Center is to support and connect Michigan families of children and youth with special health care needs, provide family-centered leadership throughout Michigan's health care settings, and partner in the decision-making process within the systems of care for children and youth with special health care needs.

1. The Family Center will host a **free Virtual Bereavement Parent Mentor Training** on March 28 and 29, 2023, from 9 am to 12:30 pm EST. This training is open for parents/caregivers who have had a child with a special health care need, experienced the loss of their child and would like to help other parents that they are looking for support in their journey with grief.
