Temporary Exceptions to Program Requirements

In light of the ongoing COVID-19 pandemic, the MDHHS MIHP team continues to evaluate policies and procedures with the assistance of our partners in the Medicaid policy division. We recognize the extra burden that the pandemic has placed upon agencies, and we are aware that many of you are experiencing staffing issues or challenges with training completion. **If these issues and challenges are negatively impacting your ability to serve your families, please reach out to the MDHHS MIHP team at mihp@michigan.gov and we will work on a case-by-case basis to consider temporary exceptions to program requirements.**

We are hopeful that the pandemic will be resolved soon and that we can resume normal operations. Your dedication to serving your beneficiaries is greatly appreciated and the MDHHS MIHP team will continue to provide whatever support we can to assist you.
