## Registration is now open for the 2021 MIHP May Coordinator Meeting

The meeting will be held virtually via Zoom on May 6, 2021 from 9:30am to 3:30pm. MIHP providers are required to attend the MIHP Coordinator training each year. The purpose of attendance is to learn skills that can enhance home visiting practices, obtain department updates, network, and engage with current quality improvement needs within home visiting and the Maternal Infant Health Program. Providers are encouraged to extend the meeting invite to an additional staff member. Please see the registration link for further information.
