## Monday

April 26, 2021  
4 PM ET / 1 PM PT

### Embracing the Brilliance and Resilience in Black Families

During this conversation, we will highlight the brilliance and resilience of Black children and families. We will discuss strategies Black families have utilized to protect and raise up their children. Join the final conversation and share your hopes and dreams for our families, communities, and future generations.

**ABOUT BTC**

The [Brazelton Touchpoints Center](#) provides professional and leadership development, organizational learning and change, and research and evaluation for family-facing professionals in pediatrics, early childhood, infant mental health, children's libraries and museums, home visiting, and child welfare. The Brazelton Touchpoints Center is home to the Touchpoints Approach, the Brazelton Institute (the Newborn Behavioral Observation and the Neonatal Behavioral Assessment Scale), Family Connections, and the BTC Research and Evaluation team.

Our communication for the Maternal Infant Health Program has been streamlined to a single email address and phone number. Please forward all email to [MIHP@michigan.gov](mailto:MIHP@michigan.gov). For further assistance, contact the state office @ **1-833-MI4-MIHP (1-833-644-6447)**. Thank you.
