Required Training for MIHP

As indicated on the website, access to required trainings are through both MiHealth.org and the Institute for the Advancement of Family Support Professionals. When accessing trainings via the Institute, you may receive a prompt indicating that modules are unavailable until after April 30, 2021, this does not apply to the required courses for MIHP. If you receive the prompt, acknowledge (select, ok) and close the box, you will then be able to follow the regular process to access trainings. If you have any additional questions, you can send an email to mihp@michigan.gov.

Our communication for the Maternal Infant Health Program has been streamlined to a single email address and phone number. Please forward all email to MIHP@michigan.gov. For further assistance, contact the state office @ **1-833-MI4-MIHP (1-833-644-6447)**. Thank you.
