## Call to Action! Home Visiting Strategy: Covid-19 Vaccinations

# LET'S GET BACK

The City of Detroit Health Department is seeking Maternal Infant Health Program (MIHP) agencies interested in partnering with them to provide Covid-19 vaccinations in the home. **Vaccination services will be provided outside of MIHP program parameters.**

## **Description of Detroit Health Department (DHD) Home Visiting Strategy: Vaccination Program**

- Approximately 37,000 are challenged with mobility outside of the home in the City of Detroit and may need COVID-19 vaccinations.
- Homebound are those residents who are challenged with mobility outside the home.
- A single database of appointments will be maintained by DHD for all vaccination program participants.
- A single standard of practice of care for home visits and vaccinations will be followed, as defined by DHD.
- A single standard of data collection will be maintained, as defined by DHD.

### **Scope of Work**

- To provide in-home COVID-19 vaccinations to the Detroit homebound population, their caregivers and eligible family members who reside in the home.
- Program will operate Monday thru Friday, 8a to 6p, beginning July 1, 2021, thru November 30, 2021.
- Home visits will be assigned by DHD on a weekly basis and will include homebound resident's name, home address, date and time of appointment and contact phone number.
- Teams of 2 will be assigned to each household and each team is expected to complete 6 vaccinations/day.
- Payment for services is based on a per household visit basis.

Interested parties should contact:
