## MIHP Parent Video Opportunity

The Early Childhood Investment Corporation (ECIC) is partnering with the Michigan Home Visiting Initiative to develop short videos about Michigan's eight home visiting models.

We would also like to ask for your help in identifying parents to participate in the model videos, below is some information that can be share with parents and home visitors, along with the link to the interest survey. The attached [flyer](#) also includes this information about participating in the project. **Surveys need to be submitted by July 23<sup>rd</sup>, 2021.** We apologize for the short notice, however we were only recently notified about this opportunity.

- Are you a parent who has or is receiving home visiting services and you would like to help other parents learn about how their family can benefit from participating in home visiting? The Early Childhood Investment Corporation (ECIC) is partnering with the Michigan Home Visiting Initiative to develop short videos about Michigan's eight home visiting models. The videos will feature families describing each model from their perspective and will be used to inform families learning about home visiting to help them choose the model that is the best fit for them based on what is available in their county.

**If you are interested in participating, please complete this interest survey by July 23, 2021. <https://www.surveymonkey.com/r/HV-Model>**

- Filming will take place during the 2<sup>nd</sup> and 3<sup>rd</sup> weeks of August in Lansing. ( August 12, 13, 16,17,18,19,20 – available dates can be selected in the interest survey)
- Filming will take approximately 2 hours.
- A light meal and snacks will be provided.
- Parents will be paid for time and reimbursement for travel and child care will be provided (children are also welcome to participate in the filming)
- Parents will receive one on one support from ECIC staff to prepare for filming and support on the day of filming
