## Correction: 2020 Home Visiting Report

We have been made aware that the link to the 2020 Home Visiting Report that was in today's MIHP Weekly Update is not yet functional. The MDHHS Home Visiting staff is working on it, and they expect the report to be available on Tuesday afternoon. In the meantime, a more direct [link to the report can be found here](#).

We apologize for the inconvenience.

Our communication for the Maternal Infant Health Program has been streamlined to a single email address and phone number. Please forward all email to [MIHP@michigan.gov](mailto:MIHP@michigan.gov). For further assistance, contact the state office @ **1-833-MI4-MIHP (1-833-644-6447)**. Thank you.
