## ACEs Prevention Plan of Care 2 Pilot

As presented at the Model Day session of the Home Visiting Conference last week, the ACEs Prevention Plan of Care 2 pilot is an exciting initiative designed to promote positive childhood experiences for the families you serve. Along with our partners at the Michigan Public Health Institute, we are looking for 10 agencies to participate. [Please review the attached flyer](#) for additional information on the initiative and an invitation to join.

Our communication for the Maternal Infant Health Program has been streamlined to a single email address and phone number. Please forward all email to [MIHP@michigan.gov](mailto:MIHP@michigan.gov). For further assistance, contact the state office @ **1-833-MI4-MIHP (1-833-644-6447)**. Thank you.
