## Network Outage - MiLogin Affected - Wednesday, September 29, 2021

Please note there was a large fiber cut in downtown Lansing that appears to be affecting applications across the State of Michigan. MiLogin Worker and MiLogin Third Party may be affected. Users may experience slow/poor performance or failure to load sites at all. **This may affect agency access to CHAMPS, MIHP, MCIR, etc.**

**We will alert you when it is functional again.**

Our communication for the Maternal Infant Health Program has been streamlined to a single email address and phone number. Please forward all email to [MIHP@michigan.gov](mailto:MIHP@michigan.gov). For further assistance, contact the state office @ **1-833-MI4-MIHP (1-833-644-6447)**. Thank you.
