Community of Practice Reminder

We apologize for the late notice! This month's Community of Practice (COP) webinar was moved up from the usual mid-month spot to account for holiday schedules. - Qualifying conditions
- When to refer and best method?
- What happens when a referral is received?
- What is available for families who choose to accept Early On?
- What is the process when families decline an Early On referral?
- Is an Early On referral ever "too early?"

Presenters are:

- Laura Goldthwait, Education Consultant, Michigan Department of Education- *Early On*[®]
- Jenny Koenigsnecht, Clinton County RESA Office of Innovative Projects

We realize that due to the short notice attendance may not be feasible for many interested participants.
