

Important MIHP Update--February 14, 2023

Breastfeeding Education Resources - With Corrected Links

The Michigan Breastfeeding Network recently released a collection of breastfeeding education resources. All resources were developed by members of the Michigan Breastfeeding Network Core Cohort of 10 Black and Indigenous breastfeeding supporters and organizations, which are listed below.

This month, we are spotlighting resources from Birth Queens and Milk Queens, which include information on [latch](#) and [paced bottle feeding](#).

Consider reviewing and sharing these resources in an effort to support families across Michigan.

Our communication for the Maternal Infant Health Program has been streamlined to a single email address and phone number. Please forward all email to MIHP@michigan.gov. For further assistance, contact the state office @ **1-833-MI4-MIHP (1-833-644-6447)**. Thank you.
