

MIHP REGIONAL PROVIDER NETWORK MEETINGS

MDHHS MIHP encourages collaboration among MIHP Providers, including the Regional MIHP Provider Network Meetings, facilitated at the local level. Below is information for these groups. To update the information listed below, please email MIHP@michigan.gov. Please note that MDHHS MIHP does not sponsor or attend these regional meetings.

Mid-Michigan

An MIHP provider network specific to this area has not been established. Interested in coordinating or co-coordinating such a group? If so, contact us at MIHP@Michigan.gov.

Northern Lower Michigan

While an MIHP-specific network is not in place, Maternal Child Health Continuous Quality Improvement meetings occur monthly (as a subcommittee of the Northern Michigan Public Health Alliance). This includes representation from six local health departments, with invitations extended to MIHP coordinators, WIC partners, and more. For more information, contact:

- Jodi Kelly (jkelly@gtcountymi.gov) or Debbie Aldridge (daldridge@bldhd.org)
