Job Openings—Data and Policy Fellow

From our partners at the University of Michigan Youth Policy Lab, Please share with your networks:

In partnership with the State of Michigan, the University of Michigan Youth Policy Lab seeks 2 highly qualified candidates to join MDHHS as a Michigan Data & Policy Fellow. Fellowship opportunities include working with the Maternal Infant Health Unit providing research and policy support to develop tools that will enhance service quality for the Maternal Infant Health Program.

There is also an opportunity within the Home Visiting Unit that will support home visiting systems integration work. These opportunities will allow the fellow to provide support to the team and leadership while gaining in-depth data and policy skills working in state government. Follow the link below for additional information and instructions on how to apply. Applications will be accepted through February 7th.
