MIHP/Health Plan Car Seat Program Update

MIHP Providers,

Meridian Health Plan of Michigan is launching their FY26 car seat distribution program effective immediately. We will notify you when McLaren and Aetna are ready to launch their programs.

Important Notes:

- If a car seat request form was submitted after the September 19, 2025 deadline and therefore was not fulfilled, update the “Date this form was sent to the Health Plan” on the form to the current date and resubmit the form to the beneficiary’s specific Health Plan so they may order the seat and arrange for delivery.
- Remember to complete all sections of the form including the “Date this form was sent to the Health Plan” and the “Date MIHP agency confirmed beneficiary received the car seat(s)” before submitting the form to MDHHS MIHP.
- Car Seat Program email – for questions and to send completed forms: MDHHS-MIHP-Car-Seat-Program@michigan.gov
