

Important MIHP Update- November 05, 2025

Southeastern Michigan Resource

Sharing on behalf of Remembering Cherubs...

Remembering Cherubs, a community-based organization in Southeast Michigan, is launching monthly meetings for parents navigating pregnancy or infant loss. These aren't traditional support groups. During registration, participants submit topics they want discussed, and we use those to guide our conversations. The part we're most excited about is the creative twist. Each month, we'll explore a different hands-on activity to honor the memories we didn't get to create with our little cherubs, whether that's crafting holiday ornaments, decorating cookies, or making valentines.

Our inaugural meeting is a *Friendsgiving* on Saturday, November 8, at 11 a.m. at Avalon Healing Center in Detroit, where parents can bring a dish to share and enjoy meaningful conversation in good company. Parents can learn more on our website at www.rememberingcherubs.org/monthly-meetings. Attached are two flyers advertising peer support opportunities and the upcoming in-person groups.

Our communication for the Maternal Infant Health Program has been streamlined to a single email address and phone number. Please forward all email to MIHP@michigan.gov. For further assistance, contact the state office @ **1-833-MI4-MIHP (1-833-644-6447)**. Thank you.
