

## Important MIHP Update- December 18, 2025

### MIHP Car Seat Program Update

MIHP Providers,

Aetna is launching their FY26 car seat distribution program effective immediately. We will notify you when McLaren is ready to launch; they are included in the chart below but have not resumed their program.

#### Updated Form:

- The car seat request form (attached) has been updated to reduce duplication of information and improve clarity of the car seat delivery information. Please use this form on any new car seat requests.
- You are not required to submit the instructions pages from the car seat form if that reduces submission workload; it is acceptable with or without instructions as long as all 3 pages of the form are included.

#### MDHHS MIHP Form Submission:

- Please have all FY25 (ended September 19, 2025) forms submitted to MDHHS MIHP via fax or encrypted email by close of business on **Friday, December 26**.
- If you have made several attempts to contact the beneficiary/family to confirm they have received the car seat(s) and have not been able to make contact, before submitting the form, please briefly note the inability to confirm delivery and general reason such as "lost to service" or "unable to make contact" in section 5 "Date MIHP Agency Confirmed Beneficiary Received the Car Seat(s)" along with the date of your note.
- Please be sure to complete Section 5 "Date MIHP agency confirmed the beneficiary received the car seat(s)" or the form will be returned for completion.

Thank you for your support of this successful program.
