Third Party Liability (TPL) Letter Update

Attention MIHP Providers: MDHHS MIHP and the Medicaid Program Policy Division have been made aware that MIHP providers are incorrectly receiving Third Party Liability (TPL) takeback letters even though MIHP claims are exempt from reporting any other insurance. If you receive a takeback letter, you must respond to the number listed in the letter within the time allowed so the claim is not recouped. If a call is not placed within the allotted timeframe the claim will be recouped and a new claim must be billed. If the recouped claim is outside of MDHHS Timely Filing Rule, of one year from the date of service, please rebill the claim with the claim note "Incorrect TPL takeback (insert takeback TCN)".

For any questions or concerns, please contact MIHP (mihp@michigan.gov)
