

Important MIHP Update- January 8, 2025

Reminder: Quality Assessment Reflection Plan Due Tomorrow

MIHP agencies are required to review the results of their initial MIHP Quality Assessment and complete and submit a Quality Assessment Reflection Plan no later than **11:59 PM on January 9, 2026** to MDHHS-MIHP-CERT-REVIEW@michigan.gov.

Agencies that have **previously submitted a Reflection Plan Project in 2022/2023** may choose to:

2. **Identify a new quality improvement project**, or
3. **Document on the current reflection plan that their previously selected project has concluded.**

***Please note that a **Reflection Plan submission is required in all circumstances**, regardless of the option selected.

Agencies that **have not previously submitted a completed Reflection Plan** are now **required to do so**, with the **exception of agencies in the 2024 and 2025 New Provider Cohorts**.

If an agency **no longer has access to prior Quality Assessment reports** due to staff turnover or other administrative changes, the agency may **contact MIHP to request a copy**.
